500 Wedding Rings Lark Books, Marthe Le Van, 2007 Presents a wide range of creative wedding ring designs from the world's most innovative designers and jewelers, showcasing a collection of contemporary, handmade wedding bands and engagement rings for both men and women by Etienne Peret, James Kaya, and other artists.

With This Ring Penny Proddow, Marion Fasel, 2004 From In Style's jewellery editors, a guide which offers everything a bride and groom need to know about engagement rings and wedding bands

Design Your Dream Wedding Rings Calla Gold, 2019-01-25 Your wedding rings are the most important pieces of jewelry you'll ever have. As a symbol of love and a pledge of faithfulness they hold much. Making them unique is a fun and creative process. Author Calla Gold believes there is a jewelry designer in each one of us and that the jeweler's job is to ask questions and help find that design inside of you. In this book you'll find examples of textures and details that add definition to your design, that evoke a feeling or vibe. You'll see how your lifestyle effects your ring design choices. You'll read stories like the way Marlo and Ben used family diamonds in their designs, how the right shaped center diamond helped Kaitlyn's short fingers look longer, and how a Rock and Roll drummer chose a special finish to make his fiancé's ring pop. Questions like these will be answered; what's the difference between platinum and white gold? What engraving techniques are out there and which ones would work for you? Is rose gold a safe choice with tiny prongs? What's the difference between the engagement ring and the wedding band? What are good gemstone alternatives to a diamond in the center? This book is your guide to creating your dream engagement and wedding rings.

Girls in Contemporary Vampire Fiction Agnieszka Stasiewicz-Bieñkowska, 2021-05-08 This book explores the narratives of girlhood in contemporary YA vampire fiction, bringing into the spotlight the genre’s radical, ambivalent, and contradictory visions of young femininity. Agnieszka Stasiewicz-Bieñkowska considers less-explored popular vampire series for girls, particularly those by P.C. and Kristin Cast and Richelle Mead, tracing the ways in which they engage in larger cultural conversations on girlhood in the Western world. Mapping the interactions between girl and vampire corporealities, delving into the unconventional tales of vampire romance and girl sexual expressions, examining the narratives of women and violence, and venturing into the uncanny vampire classroom to unmask its critique of present-day schooling, the volume offers a new perspective on the vampire genre and an engaging insight into the complexities of growing up a girl.

The Bourbon Country Cookbook David Danielson, Tim Laird, 2018-05-08 “A book that will stand as one of the most essential cookbooks in the history of Southern cuisine.” —Edward Lee, chef and author of the James Beard Award-winner of Buttermilk Graffiti Bourbon, the first uniquely American distilled spirit, is nearly synonymous with Kentucky, its birthplace. However, it has come a long way since it was first distilled in the late 1700s, and its popularity and refinement have never been greater. At the same time, southern cuisine has evolved to keep up with bourbon’s evolution through once unheard-of collaborations between kitchen and bar, a renewed interest in seasonal local ingredients, and the influence of the delicious food traditions of the region’s growing migrant populations. This book distills the spirit and hospitality—both new and old—of great southern food and drink into ninety accessible recipes designed to help you achieve the ease and elegance of Bourbon Country entertaining in your own home. Arranged by the kind of traditional fare you’d find on a Kentucky table—pickles, vegetables, ancient grains, bounties from the barnyard, bourbon cocktails, and more—these recipes pay homage to the rituals and victuals of yesteryear while embracing the new southern palate and the flavors of modern Kentucky bourbon. “Farm fresh and artisanal aren’t trends in the bluegrass state, but a long-established way of life. Add the resonant ring of the

finest American distillation—Kentucky bourbon—as these brilliant chefs do, and you’ve created magnificence and memories. In fact, the recipes, stories, and photographs here are so fine, you won’t want to wait for a horse race, but use this book year ‘round.” —Ronni Lundy, author of the James Beard Award-winner *Victuals*

The Longing in Me Sheila Walsh,2016-04-05 Do your desires have you going around in circles? You may be looking for fulfillment in all the wrong places. You vowed you’d never repeat the same mistakes—yet you find yourself right where you started. What is it that keeps drawing you back into the same old traps? The fact is, your longings are built from the blueprint of your needs: for protection, for love, for God. And those needs aren’t going anywhere. Sheila speaks candidly about the trials in her life, including the heartache of her first marriage, and intertwines her story with the biblical saga of King David. As both Sheila’s and David’s stories make clear, some cravings are misguided, but they all stem from the same hunger—and they will haunt you until that hunger gets satisfied properly. If you keep reaching out to the wrong people at the wrong times in your own life, *The Longing in Me* will help you understand that your cravings are not the problem. It’s where they lead you that makes all the difference.
