**Design Your Dream Wedding Rings** Calla Gold, 2019-01-25 Your wedding rings are the most important pieces of jewelry you'll ever have. As a symbol of love and a pledge of faithfulness they hold much. Making them unique is a fun and creative process. Author Calla Gold believes there is a jewelry designer in each one of us and that the jeweler's job is to ask questions and help find that design inside of you. In this book you'll find examples of textures and details that add definition to your design, that evoke a feeling or vibe. You'll see how your lifestyle effects your ring design choices. You'll read stories like the way Marlo and Ben used family diamonds in their designs, how the right shaped center diamond helped Kaitlyn's short fingers look longer, and how a Rock and Roll drummer chose a special finish to make his fiancé's ring pop. Questions like these will be answered; what's the difference between platinum and white gold? What engraving techniques are out there and which ones would work for you? Is rose gold a safe choice with tiny prongs? What's the difference between the engagement ring and the wedding band? What are good gemstone alternatives to a diamond in the center? This book is your guide to creating your dream engagement and wedding rings.

*The Bourbon Country Cookbook* David Danielson, Tim Laird, 2018-05-08 "A book that will stand as one of the most essential cookbooks in the history of Southern cuisine." —Edward Lee, chef and author of the James Beard Award-winner of

Buttermilk Graffiti Bourbon, the first uniquely American distilled spirit, is nearly synonymous with Kentucky, its birthplace. However, it has come a long way since it was first distilled in the late 1700s, and its popularity and refinement have never been greater. At the same time, southern cuisine has evolved to keep up with bourbon's evolution through once unheard-of collaborations between kitchen and bar, a renewed interest in seasonal local ingredients, and the influence of the delicious food traditions of the region's growing migrant populations. This book distills the spirit and hospitality—both new and old—of great southern food and drink into ninety accessible recipes designed to help you achieve the ease and elegance of Bourbon Country entertaining in your own home. Arranged by the kind of traditional fare you'd find on a Kentucky table—pickles, vegetables, ancient grains, bounties from the barnyard, bourbon cocktails, and more—these recipes pay homage to the rituals and victuals of yesteryear while embracing the new southern palate and the flavors of modern Kentucky bourbon. "Farm fresh and artisanal aren't trends in the bluegrass state, but a long-established way of life. Add the resonant ring of the finest American distillation—Kentucky bourbon—as these brilliant chefs do, and you've created magnificence and memories. In fact, the recipes, stories, and photographs here are so fine, you won't want to wait for a horse race, but use this book year 'round." —Ronni Lundy, author of the James Beard Award-winner *Victuals*

**Girls in Contemporary Vampire Fiction** Agnieszka Stasiewicz-Bieńkowska, 2021-05-08 This book explores the narratives of girlhood in contemporary YA vampire fiction, bringing into the spotlight the genre's radical, ambivalent, and contradictory visions of young femininity. Agnieszka Stasiewicz-Bieńkowska considers less-explored popular vampire series

for girls, particularly those by P.C. and Kristin Cast and Richelle Mead, tracing the ways in which they engage in larger cultural conversations on girlhood in the Western world. Mapping the interactions between girl and vampire corporealities, delving into the unconventional tales of vampire romance and girl sexual expressions, examining the narratives of women and violence, and venturing into the uncanny vampire classroom to unmask its critique of present-day schooling, the volume offers a new perspective on the vampire genre and an engaging insight into the complexities of growing up a girl.

*Raising the Bottom* Lisa Boucher, 2017-06-20 Have you ever wondered if social drinking has unintended consequences to your health, family, relationships, or your profession? Have you ever thought that losing control of your drinking couldn't happen to you or someone you love? All the women you know are too smart. Too rich. Too kind. Too together. Too much fun. Pick one. We live in a boozy culture, and the idea of women and wine has become entrenched. Is your book club really a "wine club"? Do you crave the release a drink can bring to cope with anxiety, parenthood, the pressures of being a mom, a wife/partner, a professional? In *Raising the Bottom*, mothers, daughters, health professionals, and young women share their stories of why they drank, how they stopped, and the joys and rewards of being present in their lives once they kicked alcohol to the curb.

The Thin Place Lucas Hnath, 2021-06-23 The thin place is a place where the line between this world and another one is very thin; where the living and the dead can reconnect. Ever since she was a little girl, Hilda tried to make contact with that other place by listening very carefully, not with her ears but with the space just behind and a little above her eyes. She was never all that sure that the things she could hear were real, until she met Linda, a professional psychic, who can talk to the dead. That's what Hilda wants to do, and so she befriends Linda. But as their friendship deepens, Linda unveils some uncomfortable truths. *The Thin Place* is a horror story about what's really going on in the space just behind and a little above your eyes.

**The Longing in Me** Sheila Walsh, 2016-04-05 Do your desires have you going around in circles? You may be looking for fulfillment in all the wrong places. You vowed you'd never repeat the same mistakes—yet you find yourself right where you started. What is it that keeps drawing you back into the same old traps? The fact is, your longings are built from the blueprint of your needs: for protection, for love, for God. And those needs aren't going anywhere. Sheila speaks candidly about the

trials in her life, including the heartache of her first marriage, and intertwines her story with the biblical saga of King David. As both Sheila's and David's stories make clear, some cravings are misguided, but they all stem from the same hunger—and they will haunt you until that hunger gets satisfied properly. If you keep reaching out to the wrong people at the wrong times in your own life, *The Longing in Me* will help you understand that your cravings are not the problem. It's where they lead you that makes all the difference.
