Knower of the Field Phalgun Prativadi,2019-08-16 Dr. Arya Krish is a brilliant physician and philanthropist, and the head of Beacon Medical Institute. The ground breaking technology developed there, through the Panacea Project, will usher in the new age of genetics that will change the world we live in. Krish's vast ambition at home and abroad leads to entangled alliances with industry juggernaut Alpha Corp, as well as the US government. He is forced to confront cut-throat corporate corruption, government encroachment, and a haunting family history. The ends must justify the means, which give rise to the bad blood within. Arya Krish has to make peace with it, to become a true knower of the field.

The Laws of Innkeepers John E. H. Sherry, 1993 Here is the new, completely updated and expanded edition of the indispensable handbook used throughout the hospitality industry since *The Laws of Innkeepers* first appeared in 1972. Containing all the legal information essential to the successful operation of modern hotels, motels, inns, bed-and-breakfasts, clubs, restaurants, and resorts, the book has been extensively revised by John E. H. Sherry to accommodate the far-reaching changes that have occurred since the publication of the revised edition in 1981. Sherry, a practicing lawyer and professor of hotel administration, carries over from the highly praised earlier editions detailed information on the rights and responsibilities of host and guest alike. He cites actual cases—ranging from the amusing and the bizarre to the tragic—as examples, and spells out in precise and readily understandable terms exactly what state and federal law says. Broadening the scope of the book to keep up with recent legal developments, the author includes many new case decisions and summaries from various jurisdictions. Three chapters devoted to employment law, environmental law and land use, and catastrophic risk liability are among the highlights of the new material. These new sections present recent rulings and case law on such timely topics as age, disability, and AIDS discrimination, as well as sexual harassment; government regulation of toxic and hazardous substances and hotel and resort development; and acts of God and the Public Enemy and terrorism.

The Perfect Custom Engagement Ring Vanessa Nicole, 2015-06-11 What other product is worn 24 hours a day, 7 days a week for 50 or more years? There isn't any. This is why your choice needs to be spot on. The Perfect Custom Engagement Ring is an excellent guide for every man who wants to give his soon-to-be fiancé something to be truly proud of when showing off her ring to friends and family. This educational and photo-rich book outlines step-by-step how to design the perfect engagement ring. It also covers the benefits of choosing to design your own custom ring rather than purchasing a pre-made, mass-produced engagement ring. Men looking for the perfect ring often become overwhelmed by all the options. This book will allow you to become an educated buyer by providing knowledge about the four Cs of diamonds, descriptions of various ring settings, and 40 unique proposal ideas. As a bonus, this guide highlights successful custom engagement ring creations with photos and stories.

Managing International Trade And Investment: Casebook Spar Debora L,2003-07-14 Despite the ease with which it is often conducted, doing business across borders is not the same as doing it at home. Rather, it entails a whole new set of managerial challenges: re-assessing competitive advantage; evaluating diverse political environments and legal structures; considering the impact of currency fluctuations and trading regimes; and understanding widely disparate cultures and business norms. Using the cases presented in this book, instructors can help their students build a framework of analysis that will enable them to understand the challenges of international trade and investment and master the opportunities these represent./a
