Bill Murray

Re:imagining Change Patrick Reinsborough, Doyle Canning, 2017-10-01 Re:Imagining Change provides resources, theory, hands-on tools, and illuminating case studies for the next generation of innovative change-makers. This unique book explores how culture, media, memes, and narrative intertwine with social change strategies, and offers practical methods to amplify progressive causes in the popular culture. Re:Imagining Change is an inspirational inside look at the trailblazing methodology developed by the Center for Story-based Strategy over fifteen years of their movement building partnerships. This practitioner's guide is an impassioned call to innovate our strategies for confronting the escalating social and ecological crises of the twenty-first century. This new, expanded second edition includes updated examples from the frontlines of social movements and provides the reader with easy-to-use tools to change the stories they care about most.

Renegade Colonel Bill Murray, 2009-11 To say Bill Murray's entire life has been unconventional would be an understatement! After all, how many people have lived in Canada, England, Spain and traveled the world; burned down a barn and two houses, graduated from the Air Force Academy (1975), and while there burned up a dorm room; played collegiate football, wrestling, and lacrosse; flown supersonic fighters, got booted out of the Air Force over a wet rug, only to be reinstated a few years later; crashed an aerobatic plane and survived, had cancer and survived, had children and survived? You get the idea! In *Renegade Colonel*, Murray recounts his experiences from childhood through his Air Force career. From his early years as an F-111 WSO to his later years in leadership positions as a senior director in the Air Force, Bill has had the experiences of a lifetime. He wrote this book because in years to come, he wants his family and friends to be able to share in the memories and travel back in time, if only for a few chapters. *Renegade Colonel* is a book of unbelievable lifetime experiences anyone could enjoy vicariously and learn from!
