**Bridging the Gap Between God and Medicine** Joy Aifuwa PharmD,2018-06-06 Although millions of people all over the world have criticized the Bible and conclude that its contents are myths or fairy tales, this is far from true. The same God who created the plants and microbial organisms from which many medications have been derived, has also provided a collection of books from which healing can be obtained. Bridging the Gap between God and Medicine is designed for both laypersons and health professionals who seek to incorporate biblical principles into their own medical understandings and professional practices. In a concise way, it embraces the need for modern medicine that exists today, while also pointing to the ultimate source of medicineGod. As you read about the link between God and medicine, you will be reintroduced to the origin of medicine from the natural environment, learning where true healing comes from. Faith and science are far from opposites, and just as God provides the literal seeds from which medical cures are found, He also provides in His Word, the Bible, the seeds for true spiritual and physical healing. Just as medicine cures the body, the Word of God cures the soul and body.

Just One SIMAIR Story Rich Schaffer, 2012-10-24 Rich Schaffer served the Lord for 20 years as a missionary pilot with the Sudan Interior Mission in Nigeria, West Africa. Harold Fuller wrote .. Great stuff, Rich. You have a very interesting writing style .. reconstructing conversation, describing vividly, building suspense. We're enjoying the chapters as you send them. I knew you were an accomplished pilot, but had no idea of your writing skills. Glad you are now using them!" Flying with Rich at the controls was always okay. Although my heart at times pounded as the tiny Cessna faced a threatening tropical storm. I knew this matter-of fact guy of few words had the courage and professional experience to find a hole through or around the thunderheads and bring us out safely on the other side. And Rich always acknowledged that the Lord had given him the qualities that made him a top-rate pilot for Africa's uncertain weather and questionable landing strips." " In this story about SIMAIR, Rich takes the reader through many an adventure that showed God's hand to be on the Mission aircraft and its occupants. With vivid description and homey dialogue , Rich weaves an honest account how God took a little boy from a tarpaper shack in America's Midwest and made him part of a team who brought the Gospel to the neglected interior of West Africa .. fulfilling his boyhood dream of flying. Down to earth humor, growing pains, high adventure, finding God in dry season and rainy-season tempest .. Rich holds the reader's attention from page one to the story's end." W. Harold Fuller, Lit.D (SIM Nigeria Director for several years of the Shaffer's ministry)
