Leading with Vision and Heart: A Memoir Leonard H. Roberts,2023-08-26 *Leading with Vision and Heart* is inherently a story of success, but it is also a story of the importance of family and friends, including legendary baseball player Hank Aaron. Len Roberts' memoir shares the joys of fatherhood, but also the heartache when his first-born daughter was struck by a drunk driver. And it recounts a love story over half a century in the making, between Len and his wife, Laurie. From a passion for travel to a family love of animals, and from C-suite boardrooms to the family lake house, Len has led a life that leaders of all backgrounds can learn from. In this book, he shares the memories, insights, and leadership principles that he has developed over a lifetime of integrity and accomplishment, while acknowledging and honoring the loved ones who make it all worthwhile.

I went to a private college and finished in three years with a bachelor's degree. I could not find a teaching job, so I got an MAED. At forty-six, I had a massive stroke and underwent emergency brain surgery to save my life.
