First Yes, Then I Do Adam Solomine, Lucy Solomine, 2023-03-23 First Yes, Then I Do: A Wedding Planner & Memoir, takes every area of your wedding and provides you with worksheets, what to ask vendors, things you haven't thought about, tips & tricks as well as insider secrets. You'll also find planning sheets to fill out, a to-do list that you can fill out as well as a place to write notes while speaking to potential vendors. Most importantly, this book will help you write the very first chapter of your own story of marriage. We encourage you to not only take notes everywhere in the book and in the "My Thoughts" memoir section, but use it as a journal to write your experiences, thoughts and emotions down. This book was created for you so that it can be saved, cherished and even passed down as a testament to the beginning of your legacy as a married couple. Planning your wedding is meant to be an experience and this is exactly why this layout is in book form and not a clunky 3-ring binder. Lucy & Adam Solomine have a combined 3 decades of experience in the engagement, wedding, jewelry and beauty industry and have spent countless hours with thousands of couples and hundreds of vendors to put together a book that celebrates your relationship and helps you with priceless personal and insider information that will lead to less stress

while planning this special moment in your life. We want you to be placed in a position, in terms of knowledge and preparation, to where you can maximize whatever budget you have, focus on what is most important to you and create an amazing wedding. Oh, and we like to have fun along the way so hopefully you'll get some laughs out of this wedding planner & memoir too!
