Design Your Dream Wedding Rings Calla Gold, 2019-01-25 Your wedding rings are the most important pieces of jewelry you'll ever have. As a symbol of love and a pledge of faithfulness they hold much. Making them unique is a fun and creative process. Author Calla Gold believes there is a jewelry designer in each one of us and that the jeweler's job is to ask questions and help find that design inside of you. In this book you'll find examples of textures and details that add definition to your design, that evoke a feeling or vibe. You'll see how your lifestyle effects your ring design choices. You'll read stories like the way Marlo and Ben used family diamonds in their designs, how the right shaped center diamond helped Kaitlyn's short fingers look longer, and how a Rock and Roll drummer chose a special finish to make his fiancé's ring pop. Questions like these will be answered; what's the difference between platinum and white gold? What engraving techniques are out there and which ones would work for you? Is rose gold a safe choice with tiny prongs? What's the difference between the engagement ring and the wedding band? What are good gemstone alternatives to a diamond in the center? This book is your guide to creating your dream engagement and wedding rings.

The Ring Makes All the Difference Glenn T. Stanton,2011-09-01 Why not cohabitate? Many believe nothing is better for their future marriage than a trial period—cohabitation. It's the fastest growing family type in the U.S. So how's that working out? Are people truly happier? Author Glenn Stanton offers a compelling factual case that nearly every area of health and

happiness is increased by marriage and decreased by cohabitation. With credible data and compassion, Stanton explores the reasons why the cohabitation trend is growing; outlines its negative outcomes for men, women, and children; and makes a case for why marriage is still the best arrangement for the flourishing of couples and society. This resource is ideal for those who are cohabitating or considering it, as well as pastors and counselors who need to be able to engage this issue.
