Bennett Brothers

The Fairchild Encyclopedia of Fashion Accessories Phyllis G. Tortora, Bina Abbing, 2003-05-05 This new reference provides a broad overview of contemporary fashion accessories. Not only does the work focus on individual categories of fashion, but it also examines the components from which accessories are constructed. This encyclopedia is a comprehensive resource for anyone seeking information about fashion accessories.

Royal Wills in Britain from 1509 to 2008 Michael L. Nash, 2017-02-09 This is the first book on Royal Wills since 1780 and aims to take over where the previous ones (in 1775 and 1780) left off. Therefore the period 1509 to 2008 is covered. It aims to uncover the many dilemmas and conundrums they have had to deal with, against a backdrop of Imperial splendor and political strife, society scandals and in later instances, a disintegrating infrastructure. This period covers the wills of Henry VIII, Edward VI and George I, which all sought to divert the accepted rules of succession; the wills of Queen Charlotte and George III, which brought into sharp focus the differences between State and Personal property; and the wills from Prince Albert to the present day (with a few exceptions) which sought to exclude the public from seeing their contents, in devices known as 'closing' and 'sealing up' the wills. The authority by which the latter was done has been seriously questioned in signal cases in 2007 and 2008. Sources drawn upon include not only the Royal Archives, but the Kilmorey Papers in the Public Record Office of Northern Ireland, and the Teck Letters in Wellington College, where Prince Frank received much of his early education. The sealed will of Prince Frank of Teck, the brother of Queen Mary and great-uncle of the present Queen, is the seminal chapter in this study.

The Wedding Dress Sewing Circle Jennifer Ryan, 2023-05-30 Three plucky women lift the spirits of home-front brides in wartime Britain, where clothes rationing leaves little opportunity for pomp or celebration—even at weddings—in this heartwarming novel based on true events, from the bestselling author of *The Chilbury Ladies' Choir*. After renowned fashion designer Cressida Westcott loses both her home and her design house in the London Blitz, she has nowhere to go but the

family manor house she fled decades ago. Praying that her niece and nephew will be more hospitable than her brother had been, she arrives with nothing but the clothes she stands in, at a loss as to how to rebuild her business while staying in a quaint country village. Her niece, Violet Westcott, is thrilled that her famous aunt is coming to stay—the village has been interminably dull with all the men off fighting. But just as Cressida arrives, so does Violet's conscription letter. It couldn't have come at a worse time; how will she ever find a suitably aristocratic husband if she has to spend her days wearing a frumpy uniform and doing war work? Meanwhile, the local vicar's daughter, Grace Carlisle, is trying in vain to repair her mother's gown, her only chance of a white wedding. When Cressida Westcott appears at the local Sewing Circle meeting, Grace asks for her help—but Cressida has much more to teach the ladies than just simple sewing skills. Before long, Cressida's spirit and ambition galvanizes the village group into action, and they find themselves mending wedding dresses not only for local brides, but for brides across the country. And as the women dedicate themselves to helping others celebrate love, they might even manage to find it for themselves.

The Royal Dutch Theatre at the Hague 1804-1876 Gerd Aage Gillhoff, 2013-03-09 The history of the Koninklijke Nederduitsche Schouwburg (Royal Dutch Theatre) at The Hague begins in 1804. although the theatre did not bear that name until Willem I granted it an annual subsidy a decade later. The present investigation covers the years from 1804 to 1876 because the company of Royal Dutch Players which was disbanded in the latter year had its origin in the group of actors that gave the opening performance of the new theatre on the Korte V oorhout in the spring of 1804. During the entire seventy-two years there were no important changes of policy at the Royal Dutch Theatre; it was not until 1876 that a new period commenced in the theatrical life of the court city and of Holland. Although the Dutch players made frequent appearances in other towns and cities, particularly in Rotterdam and Leiden, the author has limited himself as much as possible to a discussion of their activities at The Hague. There is an almost complete absence of newspaper criticism on the Haagsche Schouwburg throughout the first three fourths of the Nineteenth Century, but this lack would be far more serious if the greater part of the period, at least from about 1830 to 1876, had not been one of theatrical and dramatic poverty . We have enough sources to know that the performances and plays were rarely better than mediocre. The little newspaper criticism available is usually of such an adulatory nature that it can hardly be called helpful.

Gem DK,2023-03-07 Prepare to be dazzled by this shining and sumptuous visual guide to the world's greatest treasures.

Feast your eyes on glittering gemstones, kaleidoscopic minerals, and famous trinkets in this comprehensive exploration of Earth's finest jewels. Following a foreword from Aja Raden, hundreds of pages take a lavish look at precious stones, precious metals, and organic gems in all their natural wonder. From agate to zoisite, everything under the Sun is encapsulated in spectacular photography and accessible text. Trace the history of gemmology and get the inside story on our planet's most famous and fabulous gems, including the mysterious Hope Diamond, the stunning Koh-i-Noor of the Crown Jewels, and exquisite Fabergé eggs. Find out their physical properties, check the price tags, and discover the most remarkable record-breakers. This exceptionally extravagant book is a picture-packed, fact-filled celebration guaranteed to bring sparkle to your life and your library.

The Ladies' Home Journal Louisa Knapp, Edward William Bok, 1891

I, Eliza Hamilton Susan Holloway Scott, 2017-09-26 The strong-willed, heroic wife of Alexander Hamilton tells her story in this historical novel by the bestselling author of *The Secret Wife of Aaron Burr*. As the daughter of a respected general, Elizabeth Schuyler is accustomed to socializing with dignitaries and soldiers. But no visitor to her parents' home has affected her so strongly as Alexander Hamilton, a charismatic, ambitious aide to George Washington. They marry quickly, and despite the tumult of the American Revolution, Eliza is confident in her husband and in her role as his helpmate. But it is in the aftermath of war, as Hamilton becomes one of the country's most important figures, that she truly comes into her own. In the new capital, Eliza becomes an adored member of society, respected for her fierce devotion to Hamilton as well as her grace. Behind closed doors, she astutely manages their expanding household and assists her husband with his political writings. Yet some challenges are impossible to prepare for. Through scandal, betrayal, heartbreak, and tragedy, she is tested again and again. In the end, it will be Eliza's strength that makes her not only Hamilton's most crucial ally in life, but also his most loyal advocate after his death, determined to preserve his legacy while pursuing her own path through the nation they helped shape together. "Scott expertly handles the complex history and complicated romance, moving the personal and political plots briskly. Readers will be captivated by the affecting portrait Scott has painted of Eliza as an American patriot who was witness and counsel to Alexander's enduring legacy." —Publishers Weekly (starred review) "Your next Hamilton obsession." —Bustle

Ancient Egyptian Materials and Technology Paul T. Nicholson, Ian Shaw, 2000-03-23 The book describes current research into all aspects of craftwork in ancient Egypt.

A History of the British and Foreign Bible Society: First period, 1804-1817. Second period, 1817-1834 William Canton, 1904

Georgian Jewellery 1714-1830 Ginny Redington Dawes, Olivia Collings, 2018 Georgian Jewellery is a celebration of the

style and excellence of the eighteenth century, and of the ingenuity that produced such a wealth of fabulous jewellery. Heavy academic tomes have already been written about the period, but this book examines it in a more colourful and accessible way. The book aims to show that Georgian jewellery is not only the stuff of museums and safe boxes, but that it can be worn as elegantly and fashionably today as it was 200 years ago. Much disparate information about the jewellery has been gathered together and the period is brought alive by portraits and character sketches of famous Georgians in their finery, fashion tips, gossip, and some rather outrageous cartoons of the time, as well as fascinating recently discovered facts. With information on how to identify, buy and repair pieces, this sumptuously illustrated volume contains the largest single catalogue of 18th Century jewellery. AUTHORS: Ginny Redington Dawes, a life-long collector of antique jewellery, has written two previous books on the subject - The Bakelite Jewellery Book and Victorian Jewellery. Staff writer for MGM Screengems Music, she is also a successful composer; she wrote the book, music and lyrics for the off-Broadway show The Talk of the Town and has won a CLEO award for music for advertising. Olivia Collings became fascinated by the seventeenth century alchemist and jeweller Christopher Pinchbeck at an early age and bought her first piece of antique jewellery aged seven. She trained in an exclusive Bond Street antique jewellery shop before starting her own business in 1975 and has continued learning about and dealing in Georgian jewellery ever since. She is now an independent jewellery consultant. SELLING POINTS: * A thoroughly researched look at the jewellery of the time, offering good basic knowledge for the beginner and new facts for the expert * New and/or little-known facts about the techniques, styles and materials of the age * The only book solely on the Georgian period, and the largest ever catalogue of the diverse range of eighteenth century jewellery * Interesting portraits of characters of the period and their influence on the jewels of the time, with some contemporary gossip, outrageous cartoons and period fashion tips * Emphasis on jewellery that has been on the open market in recent years, rather than just unobtainable museum pieces 295 colour, 7 b/w images
