Design Your Dream Wedding Rings Calla Gold, 2019-01-25 Your wedding rings are the most important pieces of jewelry you'll ever have. As a symbol of love and a pledge of faithfulness they hold much. Making them unique is a fun and creative process. Author Calla Gold believes there is a jewelry designer in each one of us and that the jeweler's job is to ask questions and help find that design inside of you. In this book you'll find examples of textures and details that add definition to your design, that evoke a feeling or vibe. You'll see how your lifestyle effects your ring design choices. You'll read stories like the way Marlo and Ben used family diamonds in their designs, how the right shaped center diamond helped Kaitlyn's short fingers look longer, and how a Rock and Roll drummer chose a special finish to make his fiancé's ring pop. Questions like these will be answered; what's the difference between platinum and white gold? What engraving techniques are out there and which ones would work for you? Is rose gold a safe choice with tiny prongs? What's the difference between the engagement ring and the wedding band? What are good gemstone alternatives to a diamond in the center? This book is your guide to creating your dream engagement and wedding rings.

English Folk Songs Ralph Vaughan Williams,2009-04-02 This collection is filled with songs that tell of the pleasures and pains of love, the patterns of the countryside and the lives of ordinary people. Here are unfaithful soldiers, ghostly lovers, whalers on stormy seas, cuckolds and tricksters. By turns funny, plain-speaking and melancholic, these songs evoke a lost world and, with their melodies provided, record a vital musical tradition. Generations of inhabitants have helped shape the English countryside - but it has profoundly shaped us too.It has provoked a huge variety of responses from artists, writers, musicians and people who live and work on the land - as well as those who are travelling through it.English Journeys celebrates this long tradition with a series of twenty books on all aspects of the countryside, from stargazey pie and country

churches, to man's relationship with nature and songs celebrating the patterns of the countryside (as well as ghosts and love-struck soldiers).

Miss Youghal's Sais Rudyard Kipling, 2014-10-11 Joseph Rudyard Kipling (30 December 1865 – 18 January 1936) was an English short-story writer, poet, and novelist. He wrote tales and poems of British soldiers in India and stories for children. He was born in Bombay, in the Bombay Presidency of British India, and was taken by his family to England when he was five years old. Kipling's works of fiction include *The Jungle Book* (a collection of stories which includes Rikki-Tikki-Tavi), *the Just So Stories* (1902), *Kim* (1901), and many short stories, including *The Man Who Would Be King* (1888). His poems include *Mandalay* (1890), *Gunga Din* (1890), *The Gods of the Copybook Headings* (1919), *The White Man's Burden* (1899), and *If—* (1910). He is regarded as a major innovator in the art of the short story; his children's books are enduring classics of children's literature; and one critic described his work as exhibiting a versatile and luminous narrative gift. Kipling was one of the most popular writers in England, in both prose and verse, in the late 19th and early 20th centuries. Henry James said: Kipling strikes me personally as the most complete man of genius (as distinct from fine intelligence) that I have ever known. In 1907, he was awarded the Nobel Prize in Literature, making him the first English-language writer to receive the prize, and its youngest recipient to date. Among other honours, he was sounded out for the British Poet Laureateship and on several occasions for a knighthood, all of which he declined. Kipling's subsequent reputation has changed according to the political and social climate of the age and the resulting contrasting views about him continued for much of the 20th century. George Orwell called him a prophet of British imperialism. Literary critic Douglas Kerr wrote: He [Kipling] is still an author who can inspire passionate disagreement and his place in literary and cultural history is far from settled. But as the age of the European empires recedes, he is recognised as an incomparable, if controversial, interpreter of how empire was experienced. That, and an increasing recognition of his extraordinary narrative gifts, make him a force to be reckoned with.

International Perspectives on Inclusion within Society and Education Mabel Ann Brown, 2020-10-01 *International Perspectives on Inclusion within Society and Education* explores how the theme of inclusion in education and society plays out across different nations and cultures. Covering topics like dual citizenship, political loyalty, and migration, it includes important discussions around poverty, educational disadvantage, youth radicalisation and inequality. With perspectives from a wide range of countries, including the USA, UK, Finland, Kosovo, Albania, Poland, Lithuania, Latvia, Hungary, the Czech Republic, Slovakia and India, this book explores how issues of inclusion are often decided by a majority for the majority, which can lead to included minorities feeling disadvantaged and paradoxically excluded. While setting up a strong case for inclusion in society and education, it considers factors such as poverty and mental health both nationally and internationally and evaluates the effectiveness of additional financial resources and educational support in creating an inclusive world. This book will be of great interest for academics, researchers, and post graduate students in the fields of comparative education,

inclusive education, sociology, political sciences and social work.

In addition to biographical references, this work includes entries on the history and background of the blues, instruments, record labels, reference sources, regional variations and lyric transcriptions and musical analysis. Lesya Ukrainka Constantine Bida,1968-12-15 The Ukrainian national poetess Lesya Ukrainka (1871-1913) has contributed greatly to the development of Ukrainian Modernism and its transition from Ukrainian ethnographic themes to subjects that were universal, historical and psychological. Breaking the thematic conventions of populist literature, she sought difficult and complex motifs and gave them original treatment: themes such as the revolutionary ideological conflicts of the seventeenth and eighteenth centuries, which appear in some of her later poetry, are strengthened, given greater impact by her method of applying the individual and the personal to the more general concepts. From the beginning of her career her poetry was characterized by the theme of the poet's vocation and by the motifs connected with it—loneliness and alienation from society. Associated motifs deal with her love of freedom (national freedom in particular) and her hatred of anything weak and undecided. This book, sponsored by the Women's Council of the Ukrainian Canadian Committee, is a discussion of her life and works and includes selected translations: Robert Bruce (1903), Cassandra (1907), The Orgy (1913), The Stone Host (1912), and "Contra spem spero." Readers interested in development of poetic style can study the gradual evolution from the lyrical to the precise and analytical manner of the prose-poems of Lesya Ukrainka, and discover the thematic wealth, depth of thought, and emotional power of her poetry.
