Design Your Dream Wedding Rings Calla Gold, 2019-01-25 Your wedding rings are the most important pieces of jewelry you'll ever have. As a symbol of love and a pledge of faithfulness they hold much. Making them unique is a fun and creative process. Author Calla Gold believes there is a jewelry designer in each one of us and that the jeweler's job is to ask questions and help find that design inside of you. In this book you'll find examples of textures and details that add definition to your design, that evoke a feeling or vibe. You'll see how your lifestyle effects your ring design choices. You'll read stories like the way Marlo and Ben used family diamonds in their designs, how the right shaped center diamond helped Kaitlyn's short fingers look longer, and how a Rock and Roll drummer chose a special finish to make his fiancé's ring pop. Questions like these will be answered; what's the difference between platinum and white gold? What engraving techniques are out there and which ones would work for you? Is rose gold a safe choice with tiny prongs? What's the difference between the engagement ring and the wedding band? What are good gemstone alternatives to a diamond in the center? This book is your guide to creating your dream engagement and wedding rings.

The Engagement Ring Guide For Men: Everything You Should Know Before Popping The Question Michael Khordipour,Afshin Shaddaie,Benjamin Khordipour,2019-11-12 An easy-to-read book that will help you navigate through one of the biggest moments (and purchases) of your life. Khordipour and Shaddaie of Estate Diamond Jewelry have been selling vintage rings and jewelry for decades, and throughout all that time they kept seeing the same problem pop up: most guys who are looking to buy an engagement ring enter the store with almost no prior knowledge. They are completely at the mercy of the jeweler. Most men don't even know what the word carat actually means. Important words like filigree, fluorescence, bezel-set, milgrain, or polished girdle are like a completely different language to them. Last year, however, Khordipour and Shaddaie decided that they were going to fix this problem. They set out to write a book that would provide all the answers that someone would need to know before buying their engagement ring. Here is what you can expect to learn from this book: A Complete Education on Diamonds Tips to Saving Money on Your Ring An Overall Jewelry Education How to Propose Successfully? Engagement Ring Customs and Traditions How to Figure Out Her Style Discover if you're Ready to Get Married?

Blue Nile, Inc Alan Nathan Hoffman, 2011 Built on the premise of making engagement rings selection simpler, Blue Nile, Inc. (formerly known as Internet Diamonds, Inc.) has developed into the largest online retailer of diamond engagement rings. Unlike traditional jewelry retailers, Blue Nile operates completely store-front-free, without in-person consultation services. The business conducts all sales online or by phone and sales include both engagement (70%) and non-engagement (30%) categories. Therefore, the company focuses on perfecting its online shopping experience and providing extraordinary jewelry, useful guidance, and easy-to-understand jewelry education to help you find the jewelry that's perfect for your occasion. Blue Nile's vision is to educate its customer base so that customers can make an informed, confident decision no matter what event they are celebrating. It wants to make the entire diamond-buying-process easy and hassle-free. In addition, an important part of Blue Nile's vision, as CEO Diane Irvine said in a recent webinar with Kaihan Krippendorff, is for the company to be seen as the smart way to buy diamonds, while saving 20-40% more than one would in the typical jewelry

store. Blue Nile is working to become the Tiffany for the next generation.

Blues Who's who Sheldon Harris,1979 Rarely has a book received such unanimous praise as the Blue's Who's Who. Eighteen years of research and writing, most of it done by Sheldon Harris alone, have produced a reference book that has been accepted in the U.S., England, and Europe, as truly indispensable for anyone seriously interested in the history of country, city, folk, and rock blues. Covering all eras and styles, it features detailed biographies of 571 blues artists, 450 photographs, and hundreds of pages of carefully researched facts.

A New Song for China Allen Artz Wiant,2003 Bliss Wiant went to China in 1923 with the lofty goal of some day introducing hymns to Chinese Christians that would not sound foreign to them. It was a goal that occupied much of his life. The locale of his work was Yenching University, which was arguably the premier institution of higher education in China. There he established a department of music, and enabled students to discover and develop their musical talents. There also he taught students who had never before seen a western musical score, to sing and to love Handel's Messiah and other great music of the west. In less than 10 years after its first performance, the reputation of the university chorus was such that it was invited by the government of China to present the Messiah in Nanking, the national capitol, as the finale to a two-week exposition of the arts. A major milestone in the pursuit of his life's goal was reached in that same year (1937), when a hymnal (English Title, Hymns of Universal Praise) was published. This was the culmination of years of collaborative effort involving scores of individuals. Not only was the hymnal a uniquely inter-denominational achievement, it also included for the first time, a substantial number of original, indigenous hymns. Wiant's work in China produced in him a great love for the people as well as a deep admiration for their culture, which he saw both as misunderstood and unappreciated in the U.S. Consequently he devoted much of his energy in the years that followed to being a cultural ambassador, representing China to his own countrymen. An important manifestation of this was his work and that of his wife, Mildred, in translating into English a number of the Chinese hymns that first appeared in Hymns of Universal Praise. Several of these are now found in hymns used in the U.S., in effect closing a circle begun when Wiant went to China in 1923.
