Design Your Dream Wedding Rings Calla Gold,2019-01-25 Your wedding rings are the most important pieces of jewelry you'll ever have. As a symbol of love and a pledge of faithfulness they hold much. Making them unique is a fun and creative process. Author Calla Gold believes there is a jewelry designer in each one of us and that the jeweler's job is to ask questions and help find that design inside of you. In this book you'll find examples of textures and details that add definition to your design, that evoke a feeling or vibe. You'll see how your lifestyle effects your ring design choices. You'll read stories like the way Marlo and Ben used family diamonds in their designs, how the right shaped center diamond helped Kaitlyn's short fingers look longer, and how a Rock and Roll drummer chose a special finish to make his fiancé's ring pop. Questions like these will be answered; what's the difference between platinum and white gold? What engraving techniques are out there and which ones would work for you? Is rose gold a safe choice with tiny prongs? What's the difference between the engagement ring and the wedding band? What are good gemstone alternatives to a diamond in the center? This book is your guide to creating your dream engagement and wedding rings.

The Taming Lauren Gunderson, 2015-03-24 Tweetering, pandashrews, and undying giddiness for James Madison -- what else could you expect to find at a Miss America pageant? In this hilarious, raucous, all-female power-play inspired by Shakespeare's Shrew, contestant Katherine has political aspirations to match her beauty pageant ambitions. All she needs to revolutionize the American government is the help of one ultra-conservative senator's aide on the cusp of a career breakthrough, and one bleeding-heart liberal blogger who will do anything for her cause. Well, that and a semi-historically-accurate ether trip. Here's lookin' at you, America.
