Design Your Dream Wedding Rings Calla Gold,2019-01-25 Your wedding rings are the most important pieces of jewelry you'll ever have. As a symbol of love and a pledge of faithfulness they hold much. Making them unique is a fun and creative process. Author Calla Gold believes there is a jewelry designer in each one of us and that the jeweler's job is to ask questions and help find that design inside of you. In this book you'll find examples of textures and details that add definition to your design, that evoke a feeling or vibe. You'll see how your lifestyle effects your ring design choices. You'll read stories like the way Marlo and Ben used family diamonds in their designs, how the right shaped center diamond helped Kaitlyn's short fingers look longer, and how a Rock and Roll drummer chose a special finish to make his fiancé's ring pop. Questions like these will be answered; what's the difference between platinum and white gold? What engraving techniques are out there and which ones would work for you? Is rose gold a safe choice with tiny prongs? What's the difference between the engagement ring and the wedding band? What are good gemstone alternatives to a diamond in the center? This book is your guide to creating your dream engagement and wedding rings.

The Engagement Ring Guide For Men: Everything You Should Know Before Popping The Question Michael Khordipour, Afshin Shaddaie, Benjamin Khordipour, 2019-11-12 An easy-to-read book that will help you navigate through one of the biggest moments (and purchases) of your life. Khordipour and Shaddaie of Estate Diamond Jewelry have been selling vintage rings and jewelry for decades, and throughout all that time they kept seeing the same problem pop up: most guys who are looking to buy an engagement ring enter the store with almost no prior knowledge. They are completely at the mercy of the jeweler. Most men don't even know what the word carat actually means. Important words like filigree, fluorescence, bezel-set, milgrain, or polished girdle are like a completely different language to them. Last year, however, Khordipour and Shaddaie decided that they were going to fix this problem. They set out to write a book that would provide all the answers that someone would need to know before buying their engagement ring. Here is what you can expect to learn from this book: A Complete Education on Diamonds Tips to Saving Money on Your Ring An Overall Jewelry Education How to

Their Promised Land Ian Buruma, 2016-01-19 A family history of surpassing beauty and power: Ian Buruma's account of his grandparents' enduring love through the terror and separation of two world wars During the almost six years England was at war with Nazi Germany, Winifred and Bernard Schlesinger, Ian Buruma's grandparents, and the film director John Schlesinger's parents, were, like so many others, thoroughly sundered from each other. Their only recourse was to write letters back and forth. And write they did, often every day. In a way they were just picking up where they left off in 1918, at the end of their first long separation because of the Great War that swept Bernard away to some of Europe's bloodiest battlefields. The thousands of letters between them were part of an inheritance that ultimately came into the hands of their grandson, Ian Buruma. Now, in a labor of love that is also a powerful act of artistic creation, Ian Buruma has woven his own voice in with theirs to provide the context and counterpoint necessary to bring to life, not just a remarkable marriage, but a class, and an age. Winifred and Bernard inherited the high European cultural ideals and attitudes that came of being born into prosperous German-Jewish émigré families. To young Ian, who would visit from Holland every Christmas, they seemed the very essence of England, their spacious Berkshire estate the model of genteel English country life at its most pleasant and refined. It wasn't until years later that he discovered how much more there was to the story. At its heart, *Their Promised Land* is the story of cultural assimilation. The Schlesingers were very British in the way their relatives in Germany were very German, until Hitler destroyed that option. The problems of being Jewish and facing anti-Semitism even in the country they loved were met with a kind of stoic discretion. But they showed solidarity when it mattered most. As the shadows of war lengthened again, the Schlesingers mounted a remarkable effort, which Ian Buruma describes movingly, to rescue twelve Jewish children from the Nazis and see to their upkeep in England. Many are the books that do bad marriages justice; precious few books take readers inside a good marriage. In *Their Promised Land*, Buruma has done just that; introducing us to a couple whose love was sustaining through the darkest hours of the century. Look for Ian's new book, *A Tokyo Romance*, in March, 2018.
