Design Your Dream Wedding Rings Calla Gold, 2019-01-25 Your wedding rings are the most important pieces of jewelry you'll ever have. As a symbol of love and a pledge of faithfulness they hold much. Making them unique is a fun and creative process. Author Calla Gold believes there is a jewelry designer in each one of us and that the jeweler's job is to ask questions and help find that design inside of you. In this book you'll find examples of textures and details that add definition to your design, that evoke a feeling or vibe. You'll see how your lifestyle effects your ring design choices. You'll read stories like the way Marlo and Ben used family diamonds in their designs, how the right shaped center diamond helped Kaitlyn's short fingers look longer, and how a Rock and Roll drummer chose a special finish to make his fiancé's ring pop. Questions like these will be answered; what's the difference between platinum and white gold? What engraving techniques are out there and which ones would work for you? Is rose gold a safe choice with tiny prongs? What's the difference between the engagement ring and the wedding band? What are good gemstone alternatives to a diamond in the center? This book is your guide to creating your dream engagement and wedding rings.

Modern Wedding Kelsey McKinnon,2018-12-11 The secret to planning a deeply personal and meaningful wedding has nothing to do with budget. It's about creating a celebration that reflects a couple's core values. Translating those values is the work of Modern Wedding, an information-filled guide with hundreds of creative ideas and beautiful, inspiring photographs for readers to look at and say, "This feels like us." The book unpacks every element of a wedding—stationery, attire, seating plans, flowers and tablescapes, food and drink, gifts—with examples that will appeal to couples who care about how things are made but are not overly influenced by trends. The emphasis is on natural surroundings, seasonal flowers and food, modern dresses, minimalist ceremony structures, and naked cakes. Photographs of real weddings—"case studies" like a destination fete in Tuscany, a house party in Brooklyn, and a New Agey revel in Kauai—show how all the pieces can come together into a unique and expressive whole. Extensive practical information and resources give readers access to all the help they need for their own unique celebration.
