Design Your Dream Wedding Rings Calla Gold, 2019-01-25 Your wedding rings are the most important pieces of jewelry you'll ever have. As a symbol of love and a pledge of faithfulness they hold much. Making them unique is a fun and creative process. Author Calla Gold believes there is a jewelry designer in each one of us and that the jeweler's job is to ask questions and help find that design inside of you. In this book you'll find examples of textures and details that add definition to your design, that evoke a feeling or vibe. You'll see how your lifestyle effects your ring design choices. You'll read stories like the way Marlo and Ben used family diamonds in their designs, how the right shaped center diamond helped Kaitlyn's short fingers look longer, and how a Rock and Roll drummer chose a special finish to make his fiancé's ring pop. Questions like these will be answered; what's the difference between platinum and white gold? What engraving techniques are out there and which ones would work for you? Is rose gold a safe choice with tiny prongs? What's the difference between the engagement ring and the wedding band? What are good gemstone alternatives to a diamond in the center? This book is your guide to creating your dream engagement and wedding rings.

The Engagement Ring Guide For Men: Everything You Should Know Before Popping The Question Michael Khordipour, Afshin Shaddaie, Benjamin Khordipour, 2019-11-12 An easy-to-read book that will help you navigate through one of the biggest moments (and purchases) of your life. Khordipour and Shaddaie of Estate Diamond Jewelry have been selling vintage rings and jewelry for decades, and throughout all that time they kept seeing the same problem pop up: most guys who are looking to buy an engagement ring enter the store with almost no prior knowledge. They are completely at the mercy of the jeweler. Most men don't even know what the word carat actually means. Important words like filigree, fluorescence, bezel-set, milgrain, or polished girdle are like a completely different language to them. Last year, however, Khordipour and Shaddaie decided that they were going to fix this problem. They set out to write a book that would provide all the answers that someone would need to know before buying their engagement ring. Here is what you can expect to learn from this book: A Complete Education on Diamonds Tips to Saving Money on Your Ring An Overall Jewelry Education How to Propose Successfully? Engagement Ring Customs and Traditions How to Figure Out Her Style Discover if you're Ready to Get Married?

Harry & Meghan: The Royal Wedding Book Halima Sadat,2018-05-28 Since the announcement from Kensington Palace that Harry and Meghan had chosen St George's Chapel on 19 May, 2018 as their wedding venue, the world has been gripped by wedding fever. Pitkin is delighted to publish this new royal souvenir in commemoration of their special day. This is the tale of how the dashing Prince Harry fell in love with and married the beautiful American actress Meghan. It is the celebration of a truly modern love story. This book explores their early years, how they met, and how love culminated in one of the most anticipated weddings the world has ever witnessed. Born on 15 September 1984, Harry, christened Henry Charles Albert David, is the second child of Prince Charles and Princess Diana and younger brother to Prince William. Harry is the fourth grandchild of the Queen and Prince Philip and currently fifth in line to the British throne. His bride Rachel Meghan Markle, known simply as Meghan, was born on 4 August 1981 and grew up in Los Angeles, California. She is the daughter of Thomas Markle, an Emmy award-winning lighting director of Irish and Dutch descent, and Doria Ragland, an African American psychotherapist and yoga teacher. As an accomplished actress, Meghan fulfilled her childhood dream of being a television star. Meghan has now become one of the senior members of the royal family. With her American nationality and her identity as a mixed-race woman, Meghan introduces something new into the royal family, something that has been described as a 'breath of fresh air' that will assist the monarchy in its move towards modernity. With her Prince at her side, we have seen how Meghan has embraced her new role with natural charm and elegance. Despite their differing backgrounds and career paths, the new royal couple are united in their commitment to charitable campaigns and devotion to one another. Their wedding is a reflection of their love and hopes for their future life together.

Albion's Seed David Hackett Fischer,1991-03-14 This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are Albion's Seed, no matter what their ethnicity may be. The concluding section of this remarkable book explores

the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.
