Design Your Dream Wedding Rings Calla Gold,2019-01-25 Your wedding rings are the most important pieces of jewelry you'll ever have. As a symbol of love and a pledge of faithfulness they hold much. Making them unique is a fun and creative process. Author Calla Gold believes there is a jewelry designer in each one of us and that the jeweler's job is to ask questions and help find that design inside of you. In this book you'll find examples of textures and details that add definition to your design, that evoke a feeling or vibe. You'll see how your lifestyle effects your ring design choices. You'll read stories like the way Marlo and Ben used family diamonds in their designs, how the right shaped center diamond helped Kaitlyn's short fingers look longer, and how a Rock and Roll drummer chose a special finish to make his fiancé's ring pop. Questions like these will be answered; what's the difference between platinum and white gold? What engraving techniques are out there and which ones would work for you? Is rose gold a safe choice with tiny prongs? What's the difference between the engagement ring and the wedding band? What are good gemstone alternatives to a diamond in the center? This book is your guide to creating your dream engagement and wedding rings.

The Taming Lauren Gunderson, 2015-03-24 Tweetering, pandashrews, and undying giddiness for James Madison -- what else could you expect to find at a Miss America pageant? In this hilarious, raucous, all-female power-play inspired by Shakespeare's *Shrew*, contestant Katherine has political aspirations to match her beauty pageant ambitions. All she needs to revolutionize the American government is the help of one ultra-conservative senator's aide on the cusp of a career breakthrough, and one bleeding-heart liberal blogger who will do anything for her cause. Well, that and a semi-historically-accurate ether trip. Here's lookin' at you, America.

Finding Your Harmony Ally Brooke, 2020-10-13 In this moving and inspirational memoir, singer Ally Brooke recalls her journey to fame, reveals how she has remained true to her beliefs through her most difficult moments. Featuring sixteen pages of never-before-seen photos, Finding Your Harmony takes readers behind-the-scenes of her proudest musical accomplishments, solo success, and her time on Dancing with the Stars. Ally Brooke burst onto the music scene as a member of Fifth Harmony, and quickly became a fan favorite with her infectious positivity and approachable attitude – not to mention her incredible voice. Following the band’s meteoric rise to fame, she embarked on a solo career, releasing her own hit singles, joining the twenty-eighth season of Dancing with the Stars, and showing people everywhere the rewards of hard work and faith. Now in this moving and inspirational memoir, Ally opens up about the experiences that led her to the spotlight, offering lessons from the heart and revealing how her tight-knit, Mexican-American family have helped her to live fearlessly since she was first catapulted into stardom. Tracing her success from its beginnings in San Antonio, Texas, Ally details the passion for music that took hold of her at a young age, and how with the help of her family she pushed herself to achieve her dreams, no matter how impossible they seemed. While her rise to fame was rapid, it wasn’t always smooth, and Ally candidly discusses the challenges she faced along the way, sharing how she navigated tough moments by staying true to herself and her beliefs. Opening up about her journey since Fifth Harmony disbanded, Ally recalls her tireless efforts to make music on her terms, charting back to back singles in the top 40 and amassing over 200 million collective worldwide streams. She also delves into her time on Dancing with the Stars, demonstrating how she conquered her fears and insecurities on her way to a top three finish and further established herself as a role model for young people the world over. Infused with the positive approach to life and spiritual openness that have fueled Ally’s journey, Finding Your Harmony uses her stories to help others follow their inner voices—even when the outside world makes it hard. Wise, grounded, and filled with sixteen pages of never-before-seen photos, Finding Your Harmony is a fascinating glimpse into the life and heart of one of popular music’s rising stars.
