Design Your Dream Wedding Rings Calla Gold, 2019-01-25 Your wedding rings are the most important pieces of jewelry you'll ever have. As a symbol of love and a pledge of faithfulness they hold much. Making them unique is a fun and creative process. Author Calla Gold believes there is a jewelry designer in each one of us and that the jeweler's job is to ask questions and help find that design inside of you. In this book you'll find examples of textures and details that add definition to your design, that evoke a feeling or vibe. You'll see how your lifestyle effects your ring design choices. You'll read stories like the way Marlo and Ben used family diamonds in their designs, how the right shaped center diamond helped Kaitlyn's short fingers look longer, and how a Rock and Roll drummer chose a special finish to make his fiancé's ring pop. Questions like these will be answered; what's the difference between platinum and white gold? What engraving techniques are out there and which ones would work for you? Is rose gold a safe choice with tiny prongs? What's the difference between the engagement ring and the wedding band? What are good gemstone alternatives to a diamond in the center? This book is your guide to creating your dream engagement and wedding rings.

500 Wedding Rings Lark Books, Marthe Le Van, 2007 Presents a wide range of creative wedding ring designs from the world's most innovative designers and jewelers, showcasing a collection of contemporary, handmade wedding bands and engagement rings for both men and women by Etienne Peret, James Kaya, and other artists.

Included are all the steps to determining the quality of a diamond or colored gemstone & judging value. Advice on how to design the rings, & lots of illustrations to help.

Practically Useless Information on Weddings Norman Kolpas, Katie Kolpas, 2005-04-05 The ultimate gift book for the bride, her mother, bridesmaids, friends, and the occasional groom. Fascinating facts include the world's longest wedding

ceremony, shortest ceremony, and most-watched ceremony (on television). Also included is vital information on diamond engagement rings, gift guidelines for each anniversary, the significance of rice, the meaning of flowers used in bouquets, and the story behind traditions and sayings like something old, something new. The book will be equally popular as a gift and curiosity for the nearly wed or as a resource for those hard-to-find facts that provide the background on much of the traditional wedding lore. A complete index provides access by topic.
