*Classic Cullings* ,2017-07-19 Excerpt from Classic Cullings: And Fugitive Gatherings IT has been happily remarked by a popular divine, that no man, however limited his powers, or obscure his condition, should perform his great worldly pilgrimage without producing something to operate as an evidence that he once existed. How far it may be decorous to apply this maxim to the present very humble production, must be deferred to the critical acumen of impartial reviewers, and the good sense and refined taste of those whose patronage has fostered it into publicity.
