**The Custom of the Country (Romance Classic)** Edith Wharton,2019-12-18 The Custom of the Country tells the story of Undine Spragg, a Midwestern girl who attempts to ascend in New York City society. The Spraggs, a family of midwesterners from the city of Apex who have made money through somewhat shady financial dealings, arrive in New York City at the prompting of their beautiful, ambitious, but socially-naive daughter, Undine. She marries Ralph Marvell, a would-be poet and member of an old New York family that has social status but no longer enjoys significant wealth. Before her wedding, Undine encounters an acquaintance from Apex named Elmer Moffatt. Undine, who had a relationship with Moffatt that might prove embarrassing to her, begs him not to do anything that will endanger her wedding to Ralph. Although Ralph dotes on Undine, his finances do not permit the extravagant lifestyle Undine desires, and Undine begins an affair with the nouveau riche Peter Van Degen, who is married to Ralph's cousin, Clare. She then divorces Ralph in the hope of marrying Peter, but this does not work out. As a divorcee, Undine loses her high position in society, and spends her next years living in North Dakota, New York, and Paris, scheming to scramble up the social ladder again.

*Miss. Philura's Wedding Gown* (Classic Reprint) Florence Morse Kingsley, 2018-01-25 Excerpt from Miss. Philura's Wedding Gown No; quite frankly and unaffectedly the lady was studying the effect of her dress, a world too large for her. The material was good; there could be no question as to that. It was a satin brocade, exhibiting large, sprawling leaves of black on a purple background. It was rich and lustrous, and the unfashionable skirt swept in billowy folds about the slender figure, which continued to twist and turn from side to side before the cracked mirror. *And So They Were Married (Classic Reprint)* Florence Morse Kingsley, 2017-11-29 Excerpt from And So They Were Married Apparently the young persons below did not think so. Happily Married (Classic Reprint) Corra Harris, 2017-01-19 Excerpt from Happily Married Sulgrave is a Southern town entirely surrounded by the world, as an island is surrounded by water, in it, but not of it; a kind old town with many voluminous mansions spreading themselves in wings and porticos over broad lawns, rich in ancient shrubbery and the best traditions, very wide at one end where all the streets reach out into the green land like sticks of a highly decorated fan, very narrow at the other end where the same streets draw together and fold into Washington Avenue. Here the mansions are larger, the lawns are wider, and the shade of the elm trees is deeper, as if greenness and whiteness and cleanness had reached the very heart of gentility. **A Golden Wedding** Ruth Mcenery Stuart, 2018-02 Excerpt from A Golden Wedding: And Other Tales It was Christmas Eve in New Orleans, and the air was fragrant with the mingled perfume of sweet Olive, violets, and roses, while lace curtains, floating in and out of second story Windows, caught and wafted into sunny chambers a hint of orange blossoms lured into untimely bloom by the treacherous wooing of a Southern December. So Christmas was coming to two Old people who sat today on the front porch of a little hovel back of town. Each sat in front of a door, and they were separated by a board partition which divided the house into tenements. A man sat on one side, a woman on the other. Both were old, both black, both silent and contemplative. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic

*Polly Peablossom's Wedding* T. A. Burke, 2016-09-07 Excerpt from *Polly Peablossom's Wedding: And Other Tales Of the writer of the following sketch we only know that he is a practising lawyer in Macon, Geo., and an ex-member of Congress. Except this sketch, and one or two others of a similar character (one of which we publish), he has written nothing for the press. *A Six-Cylinder Courtship (Classic Reprint)* Edward Salisbury Field, 2018-01-30 Excerpt from *A Six-Cylinder Courtship* I don't remember Whether Fate was rated a goddess in the classic literature of yesterday or not. If not, times have changed, for my Fate was a goddess. Bewitchingly slender and petite, with a vivid, alluring face and the nicest eyes in the whole world, she stopped beside the car. And when she asked me a question, I threw in my mental clutch so awkwardly that I seemed, for a moment, to have stripped my transmission-gear of speech. There I sat, like an idiot, my hands on the steering wheel. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. *Their Silver Wedding Journey* William Dean Howells, 2017-09-16 Excerpt from *Their Silver Wedding Journey: A Novel* No, no! The editor rebelled. I'll think about it; but as he turned to the work he was so fond of and so weary of, he tried not to think of the question again, till he closed his desk in the afternoon, and started to walk home; the doctor had said he ought to walk, and he did so, though he longed to ride, and looked wistfully at the passing cars. Marriage À La Mode (Classic Reprint) Humphry Ward, 2018-01-21 Excerpt from Marriage A La Mode I'm sorry to find you don't like the States, Uncle Archie. The young man sat down beside his uncle. They were in the deck saloon of a steamer which had left Washington about an hour before for Mount Vernon. Through the open doorway to their left they saw a wide expanse of river, flowing between banks of spring green, and above it thunderous clouds, in a hot blue. The saloon, and the decks outside, held a great crowd of passengers, of whom the majority were women. The tone in which Roger Barnes spoke was good-tempered, but quite perfunctory. Any shrewd observer would have seen that whether his uncle liked the States or not did not in truth matter to him a whit. And I consider all the arrangements for this trip most unsatisfactory, the General continued angrily. The steamer's too small, the landing-place is too small, the crowd getting on board was something disgraceful. They'll have a shocking accident one of these days. And what on earth are all these women here for - in the middle of the day> It's not a holiday. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. **Wedded and Parted (Classic Reprint)** Author of Dora Thorne, 2018-01-20 Excerpt from Wedded and Parted It was Christmas Eve, and, if ever Lady Ianthe felt tempted to be proud, it was on this evening, when she stood in her magnificent dressing-room with her jewels and rich dress all ready for use. It did not occur to her that a feeling of pride hardly accorded with the season which should be marked by peace, good will, and sweetest humility - when, if ever, lessons of meekness and gentleness were to be learned. Nothing of this occurred to Lady Ianthe. Her artistic mind did homage to the beauty of the season. She had stood for an hour or more at the window watching the scene before her and admiring it. But that was all the time and season brought her no higher thoughts. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
