With This Ring Penny Proddow, Marion Fasel, 2004 From In Style's jewellery editors, a guide which offers everything a bride and groom need to know about engagement rings and wedding bands

500 Wedding Rings Lark Books, Marthe Le Van, 2007 Presents a wide range of creative wedding ring designs from the world's most innovative designers and jewelers, showcasing a collection of contemporary, handmade wedding bands and engagement rings for both men and women by Etienne Peret, James Kaya, and other artists.

Design Your Dream Wedding Rings Calla Gold, 2019-01-25 Your wedding rings are the most important pieces of jewelry you'll ever have. As a symbol of love and a pledge of faithfulness they hold much. Making them unique is a fun and creative process. Author Calla Gold believes there is a jewelry designer in each one of us and that the jeweler's job is to ask questions and help find that design inside of you. In this book you'll find examples of textures and details that add definition to your design, that evoke a feeling or vibe. You'll see how your lifestyle effects your ring design choices. You'll read stories like the way Marlo and Ben used family diamonds in their designs, how the right shaped center diamond helped Kaitlyn's short fingers look longer, and how a Rock and Roll drummer chose a special finish to make his fiancé's ring pop. Questions like these will be answered; what's the difference between platinum and white gold? What engraving techniques are out there and which ones would work for you? Is rose gold a safe choice with tiny prongs? What's the difference between the engagement ring and the wedding band? What are good gemstone alternatives to a diamond in the center? This book is your guide to creating your dream engagement and wedding rings.

Greek New Testament Maurice Robinson, 2018-06-19 The Greek New Testament in the original Greek according to the Byzantine text type, as collected by Robinson & Pierpont with Nestle-Aland variants.

My Chief J. Rye Revell, 2002-03 The small-town editor is at odds with a domineering mayor, whom he knows to be crooked but hasn't the courage to use his power of the press. Along comes Julia, a girl just out of school and with a driving ambition to become a news woman. She serves her Chief well and learns the business but soon finds herself wedged in between the two men. As the story progresses she experiences romance, adventure, murders, and the feeling she may be next on the list of victims, because she is coming too close to exposing the mayor.

The Sunday Wife Cassandra King, 2012-05-29 Married for 20 years to the Reverend Benjamin Lynch, a handsome, ambitious minister of the prestigious Methodist church, Dean Lynch has never quite adjusted her temperament to the demands of the role of a Sunday wife. When her husband is assigned to a larger and more demanding community in the Florida panhandle, Dean becomes fast friends with Augusta Holderfield, a woman whose good looks and extravagant habits immediately entrance her. As their friendship evolves, Augusta challenges Dean to break free from her traditional role as the preacher's wife. Just as Dean is questioning everything she has always valued, a tragedy occurs, providing the catalyst for change in ways she never could have imagined.

Wildflowers and Plant Communities of the Southern Appalachian Mountains and Piedmont Timothy P. Spira, 2011-05-16 This richly illustrated field guide serves as an introduction to the wildflowers and plant communities of the southern Appalachians and the rolling hills of the adjoining piedmont. Rather than organizing plants, including trees, shrubs, and herbaceous plants, by flower color or family characteristics, as is done in most guidebooks, botanist Tim Spira takes a holistic, ecological approach that enables the reader to identify and learn about plants in their natural communities. This approach, says Spira, better reflects the natural world, as plants, like other organisms, don't live in isolation; they coexist and interact in myriad ways. Full-color photo keys allow the reader to rapidly preview plants found within each of the 21 major plant communities described, and the illustrated species description for each of the 340 featured plants includes fascinating

information about the ecology and natural history of each plant in its larger environment. With this new format, readers can see how the mountain and piedmont landscapes form a mosaic of plant communities that harbor particular groups of plants. The volume also includes a glossary, illustrations of plant structures, and descriptions of sites to visit. Whether you're a beginning naturalist or an expert botanist, this guidebook is a useful companion on field excursions and wildflower walks, as well as a valuable reference. Medicinal Plants of the Southern Appalachians Patricia Kyritsi Howell, 2006-01-01 This concise guide to medicinal plants of the Southern Appalachians includes botanical descriptions of 45 native plants, their historical and current uses in herbal practice, detailed, easy-to-follow medicine making instructions and unique recipes for syrups, liniments, digestive bitters and more. The book invites the reader to explore native plants in their wild habitats and offers step-by-step ethical harvesting guidelines while emphasizing conservation issues. The author is a well-respected medical herbalist and teacher who lives in the mountains of north Georgia. Praise for Medicinal Plants of the Southern Appalachians. This is one volume that I want to own as we enter the post-corporate age: a priceless guide to Southern plant alchemy. This practical yet enchanting botanical brings an ancient art to modernity. These pages are as rich as the cove forests they honor. Even to peruse Howell's manual is healing, and exhilarating, not only because of the book's inherent beauty, but because it contains vital knowledge all of us will need as fossil fuels dwindle and we return to the local. One day this book may save your life. Janisse Ray, author of Ecology of a Cracker Childhood, Wild Card Quilt and Pinhook: Finding Wholeness in a Fragmented Land An elegant introduction presented in a clear-as-a-bell style that educates as well as entertains. Peter Loewer, author of The Wild Gardener and Jefferson's Garden There are many comprehensive volumes about medicinal plants in other regions of North America but none for the botanically rich southeast. Now, a widely experienced and knowledgeable herbalist has written a thorough guide to the virtues of Yellow Root, Rabbit Tobacco, Dogwood Bark, Sweet Fern and other better known herbs of the region. From Howell's book, readers can learn to use local plants safely and consciously to improve the health of their families or patients. David Winston, RH (AHG), Dean, Herbal Therapeutics School of Herbal Medicine An excellent, much needed resource on Southeastern herbs. Well thought out and easy to follow. Tim Blakely, co-author of The Bootstrap Guide to Medicinal Herbs in the Garden, Field and Marketplace I often remind veterinarians that the foundation of botanical medicine lies in the experience of learning all aspects of medicinal plants thoroughly. This book guides the reader out of the classroom and into the fields and forest where plants become, to the student, more tangible sources of healing. Recommended for any practitioner who wants to deepen their understanding of our native apothecary. Susan Wynn, DVM, RH (AHG), Executive Director, Veterinary Botanical Medical Assoc.

Queen of Broken Hearts Cassandra King, 2012-05-29 The national bestselling author of The Same Sweet Girls and The Sunday Wife returns with another compulsively readable novel It's not easy being the Queen of Broken Hearts. Just ask

Clare, who has willingly assumed the mantle while her career as a divorce coach thrives. Now she's preparing to open a permanent home for the retreats she leads, on a slice of breathtaking property on the Alabama coast owned by her mother-in-law. Make that former mother-in-law, a colorful eccentric who teaches Clare much about love and sacrifice and living freely. When Clare's marriage ends in tragedy, her work becomes the sole focus of her life. While Clare has no problem helping the hundreds of men and women who seek her advice to mend their broken hearts, healing her own is another matter entirely. Falling in love again is the last thing she wants. So when Lex -- a charismatic, charming, burly sea captain -- moves to town to run the marina, Clare insists they remain friends and nothing more. But even though she fights it, she begins to fall for him -- and then finds she has a rival, his estranged wife Annalee. A story infused with all the flavors, textures, and intrigues of a small Southern town, with a rich, resonant center, *Queen of Broken Hearts* is a bold step forward for Cassandra King.

The Same Sweet Girls Cassandra King, 2012-05-29 The new novel by the celebrated author of *The Sunday Wife* chronicles the lives of a tight-knit group of lifelong friends. None of the *Same Sweet Girls* are really girls anymore and none of them have actually ever been that sweet. But this spirited group of Southern women, who have been holding biannual reunions ever since they were together in college, are nothing short of compelling. There's Julia Stovall, the First Lady of Alabama, who, despite her public veneer, is a down-to-earth gal who only wants to know who her husband is sneaking out with late at night. There's Lanier Sanders, whose husband won custody of their children after he found out about her fling with a colleague. Then there's Astor Deveau, a former Broadway showgirl who simply can't keep her flirtations in check. And Corinne Cooper, whose incredible story comes to light as the novel unfolds.

Judy Martin's Log Cabin Quilt Book Judy Martin, 2007 Judy Martin's *Log Cabin Quilt Book* provides 16 complete patterns for that all-time favorite quilt design, the Log Cabin. 15 of the patterns are new and original from the fertile mind of Judy Martin. She also provides 1 traditional pattern for those who want to start with the basics before moving on to more interesting variations. Chapters cover everything you will ever need to know about Log Cabins, including fabric selection, sets, keeping track of the logs, machine piecing, borders, quilting, binding, and individualizing your quilt. This lavishly illustrated volume is Judy Martin's 19th book on quilting, her 2nd devoted to Log Cabins. She has designed more original patterns than anyone in history.

Making Waves Cassandra King, 2012-05-29 The first novel by the author of acclaimed national bestseller *The Sunday Wife*, now reissued in paperback. In a small Alabama town in Zion County, life is finally looking up for 20-year-old Donnette Sullivan. Having just inherited her aunt's old house and beauty shop, she's taken over the business. Her husband, Tim, recently crippled in an accident, is beginning to cope not only with his disability but also with the loss of his dreams. Once a promising artist who gave up art for sports, Tim paints a sign for Donnette's new shop, *Making Waves*, that causes ripples throughout the small southern community. In a sequence of events--sometimes funny, sometimes tragic--the lives of

Donnette, Tim, and others in their small circle of family and friends are unavoidably affected. Once the waves of change surge through Zion County, the lives of its people are forever altered.

Cashiers Valley Jane Gibson Nardy, Jan Blair Wyatt, 2007-08-15 Cashiers Valley, enveloped in the Blue Ridge Mountains with craggy stone faces, thundering waterfalls, majestic forests, and wilderness areas of unique flora and fauna, has always drawn visitors. Its moderate climate, slower pace, and friendly people have encouraged visitors to stay and, increasingly, to relocate. The residents have preserved a strong sense of place as they embraced the bonds of kinship and community through the years. This is all connected to a powerful religious base and a strong cultural heritage tradition. Today Cashiers Valley retains the charm of an isolated mountain village that welcomes guests. The photographs in this volume were gathered from many local scrapbooks, long forgotten and yellowing with age. Community residents are eager to share their photographs and memories of days gone by.
