Calla Gold

500 Wedding Rings Lark Books, Marthe Le Van, 2007 Presents a wide range of creative wedding ring designs from the world's most innovative designers and jewelers, showcasing a collection of contemporary, handmade wedding bands and engagement rings for both men and women by Etienne Peret, James Kaya, and other artists.

Design Your Dream Wedding Rings Calla Gold, 2019-01-25 Your wedding rings are the most important pieces of jewelry you'll ever have. As a symbol of love and a pledge of faithfulness they hold much. Making them unique is a fun and creative process. Author Calla Gold believes there is a jewelry designer in each one of us and that the jeweler's job is to ask questions and help find that design inside of you. In this book you'll find examples of textures and details that add definition to your design, that evoke a feeling or vibe. You'll see how your lifestyle effects your ring design choices. You'll read stories like the way Marlo and Ben used family diamonds in their designs, how the right shaped center diamond helped Kaitlyn's short fingers look longer, and how a Rock and Roll drummer chose a special finish to make his fiancé's ring pop. Questions like these will be answered; what's the difference between platinum and white gold? What engraving techniques are out there and which ones would work for you? Is rose gold a safe choice with tiny prongs? What's the difference between the engagement ring and the wedding band? What are good gemstone alternatives to a diamond in the center? This book is your guide to creating your dream engagement and wedding rings.

Along with the Sun Ki. Rajanarayanan, 2020-12-22 A unique anthology of short stories from the 'Karisal' or 'Black Soil' region of Tamil Nadu. Edited by Ki. Rajanarayanan, one of the most acclaimed and influential writers in Tamil, these stories tell, with genuine affection and concern, of the lives of people living against the backdrop of the black soil land. Here the rain plays hide-and-seek, sometimes oppressing them with drought, sometimes with floods; caste and religion still form a large part of the social order; cattle and moneylenders decide the fate of populations; and local gods are a very real presence. Written by celebrated contemporary Tamil authors in a range of literary styles, these are stories that will resonate universally long after they are read.
