Design Your Dream Wedding Rings Calla Gold, 2019-01-25 Your wedding rings are the most important pieces of jewelry you'll ever have. As a symbol of love and a pledge of faithfulness they hold much. Making them unique is a fun and creative process. Author Calla Gold believes there is a jewelry designer in each one of us and that the jeweler's job is to ask questions and help find that design inside of you. In this book you'll find examples of textures and details that add definition to your design, that evoke a feeling or vibe. You'll see how your lifestyle effects your ring design choices. You'll read stories like the way Marlo and Ben used family diamonds in their designs, how the right shaped center diamond helped Kaitlyn's short fingers look longer, and how a Rock and Roll drummer chose a special finish to make his fiancé's ring pop. Questions like these will be answered; what's the difference between platinum and white gold? What engraving techniques are out there and which ones would work for you? Is rose gold a safe choice with tiny prongs? What's the difference between the engagement ring and the wedding band? What are good gemstone alternatives to a diamond in the center? This book is your guide to creating your dream engagement and wedding rings.

'Chi-Town Slaughter' Uncensored Rusty Oswalt, Eric Longnecker, 2007-05 THE TRUTH ABOUT A GOVERNMENT COVER UP You're probably thinking, Hasn't enough been written already about the St. Valentines Day Massacre? Which until now was an unsolved murder case. There have been books written and both documentaries and movies made on this subject matter but they for the most part have been misleading the public as to what really happened at one of the most infamous unsolved murder cases of all time. We have the confidence to say that what you are considering purchasing will definitely change your opinion on what you've been led to believe for all these years about this most tragic day in American History. We will not only show you who were involved, such as the Purple Gang in Detroit and a small group partly from St. Louis, but why George 'Bugs' Moran was not a target but a co-conspirator. We show why it was done and also how they were able to pull it off. We will also explain why the Government, J. Edgar Hoover in particular, was behind covering up the truth. This book is not only about Al Capone and the 'St. Valentines Day Massacre' in Chicago but also about the rise of organized crime starting with the Mustache Pete's of the late 1800's and early 1900's to the organization of the National Syndicate in the late 20's and early 30's. We show how most of the prominent gangsters of New York, Detroit, Chicago and St. Louis among others came together to create this Union and how it was the Jewish gangsters influence that turned crime into an organized business which to this day their methods are still practiced. Also included is how the Kennedy family came upon their fame and fortune and how many celebrities have been touched by those involved in organized crime such as singer/comedian Joe E. Lewis, Charlie Chaplin, Sophie Tucker, Milton Berle, Red Skelton and Frank Sinatra to name a few.

Oklahoma City Bradley Wynn, 2011 Located in downtown Oklahoma City, Film Row once flourished as a sales hub for theater owners needing films, posters, and concessions for their Midwest venues. The film exchange offices along this three-square-block area and across the cityscape housed major film production studios like Paramount Pictures, MGM, Universal, Fox, and Warner Brothers from 1907 until the 1980s. But changes in demographics, economy, and technology nearly wiped their memory from the city landscape. Now these decades-old structures and their nearly forgotten history are being rediscovered and utilized once again for business. This book tells their story through rare images discovered in shoeboxes, back rooms, and the Oklahoma Historical Society's archives. Most of the images within these pages are shared here for the very first time.

The Dark Between Sonia Gensler, 2013 Three teenagers in Victorian era Cambridge spend the summer at a local college and soon discover that their hosts, the Metaphysical Society, may be conducting sinister experiments in an attempt to communicate with the dead.
