## Alexandra Adornetto

**When the Halo Falls** Kathleen Kane,2002-02-18 Guardian angel Patience Goodfellow knows it's against the rules to fall in love with saloon owner, ex-gunfighter and ladies' man Brady Shaw. Patience knows he has a heart of gold--she should since she's been his angel since he was 11 years old. When Patience is accidentally knocked unconscious and wakes up mortal, she prays she'll get her chance for earthly happiness.

**Halo** R. C. Stephens,2016-10-07 I fell in love with Thomas Wells and knew he was my forever. I was sixteen when I gave him my heart. Our love was the kind to last a lifetime. But Thomas was broken. The first day we met he told me he was going to become a Navy SEAL. At nineteen he enlisted. At twenty he married me. At twenty five he left me pregnant and didn't turn back. I knew he was suffering.... I also knew I couldn't save him. He left me broken. I was scared and alone. Until I met Ryder St. John a wounded soldier... He was lost. I was lost. Together we made sense. I fell in love again... What Ryder forgot to mention was that he held a secret so explosive that it could shatter both our worlds.

*Diamond Star Halo* Tiffany Murray,2011-04-07 Growing up in a rural recording studio, Halo Llewellyn is rarely star-struck, but when one of the visiting singers gives birth to Fred, she knows right away that he's special. As the golden child grows into the gilded man, she remains dazzled by his ambition and his talent. Up on stage, being screamed at by hundreds of teenage girls, Fred will always turn his spotlight on Halo in the crowd. But that's the problem with falling in love with your charismatic almost-brother - it can never be a secret. In the end, the whole world has to know.

**Halo** Alexandra Adornetto,2010 When three angels are sent from heaven to protect the town of Venus Cove against the gathering forces of darkness, their mission is threatened as the youngest angel, Bethany, enrolls in high school and falls in love with another student.

Angel's Halo Teri Anne Browning,2014-02-10 New CoverCreswell Springs was a small little town in Trinity Count, California. Population 1,500-maybe. It's a quiet town, with small town values. Its greatest income is the University just outside of the town limits... and the revenue the local Motorcycle Club brings in. Being part of the MC that was Angel's Halo was exactly like being part of a family. A scary, powerful, crazy family. It was also like its own society. There are rules, just as there are in every family, every society. But only breaking one of their rules will leave you in a broken, blood pile on the floor... No one touches Raven Hannigan.RavenI was the MC's only weakness. Or so my father use to tell me as I was growing

up. Mad Max Hannigan was once Angel's Halos' president. He made the rules and everyone was expected to follow them or come face to fist with the enforcer...I have spent my life in the middle of the MC. I knew the rules-the penalties for breaking those rules. So I knew what would happen to him if I let him break the golden rule... But I loved him, like I have never loved anyone or anything before. I thought my love would protect him. Of course it hadn't. When our secret was discovered he was beaten. So I shouldn't blame him for leaving me...BashAs the enforcer I knew the consequences. Knew exactly what was in store for me when Raven's family found out that I had dared to break my MC's unforgivable rule. I loved her, so it didn't matter to me. When her oldest brother delivered my punishment I didn't scream. Didn't groan. I took it like the man my MC had made me, and would have done it over and over again if that was what it took to be able to call Raven Hannigan mine. Then my past reared its ugly head and I had a choice to make. One that I have only lived to regret.Taking on the job as Angel's Halos' new president was my second chance. But... would my secrets destroy everything Raven and I once had?

Black Halo S. L. Naeole,2011-04-03 While nearly everyone else at Heath High is preparing for prom and graduation, Grace Shelley is coming to terms with the end of her relationship with Robert, the angel who saved her soul, her life, and then broke her heart. It's not easy, especially when she can't escape his thoughts. But Grace has other things to worry about. Like her friend Stacy's cancer, and her best friend Graham's ex-girlfriend, whose attacks on Grace and her friends only seem to escalate with each passing day. And then there's Samael, the Archangel of Death, whose own death after his last attack on Grace had been revealed to be nothing but a lie. When Samael tries once again to finish what he started, Grace finds herself having to rely on Robert for help, something that forces the both of them to confront the lies that exist between them. But, as Samael closes in on not only Grace, but also on the people she cares about, she learns a secret that forces her to make a decision that changes not only her, but the very world she lives in.

**Halo City: Michael's Journey (Novella)** Mary Ting, 2013-08 When a massive group of angels known as nephilim-half human, half angel-had been found by the Royal Council, they were taken to Halo City. Instead of cleansing the Earth with a flood, which had been done before, the Royal Council created a place just for this group of angels. While they were being taken, one of the Twelve, named Aden, rebelled and convinced many alkins to join his cause-to live freely among the humans and take over Crossroads. After the fall of Aden and his followers, Michael was taken to Halo City to heal. Not only did Michael had a difficult time settling into his new environment, he had conflicting issues regarding his past. Upon meeting the alkins, a particular one by the name of Davin refused to give up on helping him deal with his struggles. Together, they discovered a strange being that would appear at the Crossroads at unexpected times. Souls wandering there is nothing new, but this one aged as time passed. Mystified, they both searched for answers while refraining from telling the Twelve about her. Who is this being that had enraptured Michael's attention? And will Michael finally forgive himself and find the happiness that he yearned to have?

**Paper Halo** Kate Norway, 1971

The Broken Halo Florence L. Barclay, 1925

**Halo** Brooke Blaine, Ella Frank, 2019-02-24 Massive world tours. Over a hundred million albums sold. Groupies galore. Every day is a party for Viper and the guys of TBD, the biggest rock band in the world. But it all comes to a screeching halt when the lead singer walks out of the studio one day and never comes back. Ear-blistering vocals. Butchered lyrics. Fame chasers. After months of lackluster auditions, Viper, the lead guitarist and resident bad boy of the group, is ready to find solace in the bottom of a bottle. Time's running out and the pressure's on to find a new singer, but it isn't until an angel walks through the door that the band's prayers are answered. Charismatic. Talented. Magic behind the mic. Halo is everything they've been looking for. With a voice to match his stunning good looks, it isn't long before Viper's taking notice. But there are several reasons this is a bad idea: 1. Interpersonal relationships in the band are discouraged 2. Viper has already broken rule #1-big mistake 3. Halo is straight Too bad Viper's body isn't listening to his head-at least not the one on his shoulders. But you can't fake chemistry, not onstage and certainly not off it, and Viper and Halo? They have it in spades. As both men try to resist the fire blazing between them, and the band is forced to reinvent themselves, it'll be a complicated rise back to the top. But from the ashes of what was, something beautiful is born. Something better. And when the world finally sees Halo stretch his wings, they'll discover what it's like to fall for an angel.

*Angel's Halo: Forever Angels* Terri Anne Browning, 2019-02-27 Rewind. I hit the rewind button on the old VHS tape that contains my memories, causing the past to scream across my closed lids. Past the nightmare where Enzo Fontana goads me, threatening my family, wanting all the secrets of my MC that I refuse to give him. Past the evil laughter that reaches me even

in the sweat-soaked, pain-filled oblivion of near-death sleep. Past the blast I thought would end me, the searing pain of the heat that melted my back, the shattering glass still lodged in parts of my body. Past the months of loneliness because I let the one person I knew I couldn't live without walk out of my life because I knew I wasn't good enough for her. Pause. There she is. Smiling up at me as I lean over her. Kissing her like I have the right to. Like I'm not stealing a moment in time I will have to live off of for the rest of my life. A life that is going to end very, very soon. I'm dying. I can feel the life begin to fade from me. My body, which has been tortured for days, perhaps even weeks-I don't even know anymore-will give up soon. And all I want to do is think about her. That smile. The sweet taste of her lips. The little sounds she made as she gave me the most precious thing any woman could give a man. The love in her eyes in the afterglow. She was mine then. And I would forever be hers. Jos, I groaned, letting the first tear leak from my eyes.

*Heaven (Halo, book 3)* Alexandra Adornetto, 2012-09-01 THE GLITTERING CONCLUSION TO THE INTERNATIONALLY BESTSELLING HALO SERIES Heaven must be missing an angel ... The angel Bethany and her mortal love, Xavier, have already pushed the boundaries of Heaven with their relationship. In this conclusion to the Halo trilogy, the two take their love to the next, forbidden, step: they marry. At a time when they believe nothing will come between them again, they are faced with their most daunting challenge yet - the Sevens, a military order of angels designed to maintain balance in the universe. These soldiers won't stop until their job is done - capture the wayward angel and send her home. Beth discovers there is only one way back to Earth, but the cost is higher than she ever imagined. If she can survive, she will prove to Heaven and Earth that there is nothing stronger than the power of love.

*Angel's Halo* Terri Anne Browning, 2022-10-18 NEW COVER NEW BRANDING The past be damned, she will be mine again. Spider I am the MC's enforcer. The man to dole out punishments within the club. Men fear me, and so the peace is kept-for the most part. But I have no peace. There is only one thing in life I want-the owner of my soul, and she just stormed back into my life... Willa The moment I saw Spider Masterson, I became his. But our fate was to crash and burn. Now, years later, I still can't help but want to belong to him. Even after all the pain he has put me through. I can't keep my distance, even if it means being burned.
