*Design Your Dream Wedding Rings* Calla Gold, 2019-01-25 Your wedding rings are the most important pieces of jewelry you'll ever have. As a symbol of love and a pledge of faithfulness they hold much. Making them unique is a fun and creative process. Author Calla Gold believes there is a jewelry designer in each one of us and that the jeweler's job is to ask questions and help find that design inside of you. In this book you'll find examples of textures and details that add definition to your design, that evoke a feeling or vibe. You'll see how your lifestyle effects your ring design choices. You'll read stories like the way Marlo and Ben used family diamonds in their designs, how the right shaped center diamond helped Kaitlyn's short fingers look longer, and how a Rock and Roll drummer chose a special finish to make his fiancé's ring pop. Questions like these will be answered; what's the difference between platinum and white gold? What engraving techniques are out there and which ones would work for you? Is rose gold a safe choice with tiny prongs? What's the difference between the engagement ring and the wedding band? What are good gemstone alternatives to a diamond in the center? This book is your guide to creating your dream engagement and wedding rings.

**Stone Fox Bride** Molly Rosen Guy, 2017-12-05 Ditch the storybook wedding, banish Bridezilla, and walk down the aisle in truth and in style: You are a Stone Fox Bride and this is your bridal guide. Molly Rosen Guy founded the brand Stone Fox Bride as an alternative to outdated, plastic-princess wedding culture. Her stylish and subversive approach is being embraced by creative, modern brides who believe in love and romance, but have no interest in running off into the sunset. In an inspiring mix of intimate storytelling, gorgeous visuals, and candid advice, with an aesthetic that channels Bianca Jagger in a white tux rather than Cinderella in a frilly gown, Molly Rosen Guy—your cool, hippie chic guide through the wilds of wedding planning—encourages brides-to-be, and their ladies in tow, to say no to all things phony, frilly, and silly. Featuring personal essays that explore the nuances of the process, including a raw, unairbrushed look at the realities of the early days of marriage, she tells us that a Stone Fox Bride should never sacrifice her style, her story, or her sanity to please others; she reassures us that weddings don't have to be free of confusion, shades of gray, or cellulite; and reminds us that marriage, like love, is equal parts complicated and beautiful. Praise for Molly Rosen Guy and the Stone Fox Bride phenomenon “The current wedding-wear darling of the jammin’ and Instagrammin’ set [offers] an insouciant, antiestablishment approach to weddings.”—The New York Times “[Molly Rosen Guy is] making waves in the bridal industry thanks to her eclectic eye and refusal to conform to clichéd traditions.”—W “Molly Rosen Guy built a business filling the needs of women who long for something more than your run-of-the-mill, princess-y flou for their big day.”—Vogue

*The Engagement Ring Guide For Men: Everything You Should Know Before Popping The Question* Michael Khordipour, Afshin Shaddaie, Benjamin Khordipour, 2019-11-12 An easy-to-read book that will help you navigate through one of the biggest moments (and purchases) of your life. Khordipour and Shaddaie of Estate Diamond Jewelry have been selling vintage rings and jewelry for decades, and throughout all that time they kept seeing the same problem pop up: most guys who are looking to buy an engagement ring enter the store with almost no prior knowledge. They are completely at the mercy of the jeweler. Most men don't even know what the word carat actually means. Important words like filigree, fluorescence, bezel-set, milgrain, or polished girdle are like a completely different language to them. Last year, however, Khordipour and Shaddaie decided that they were going to fix this problem. They set out to write a book that would provide all the answers that someone would need to know before buying their engagement ring. Here is what you can expect to learn from this book: A Complete Education on Diamonds Tips to Saving Money on Your Ring An Overall Jewelry Education How to Propose Successfully? Engagement Ring Customs and Traditions How to Figure Out Her Style Discover if you're Ready to Get Married?

The Four-Ring Circle Angela H. Davis, 2007-10 The Four-Ring Circle is about a woman who sums her life up into four different metaphors. Looking inside herself, she finds that she continuously goes in circles through four different stages in

her life, until she finally decides to take a little time out for herself. A little time turned into five years, but she finally learned how to be an individual, and how to want things that made her happy. She had finally had enough of everyone taking advantage, mistaking her kindness for weakness, her understanding for stupidity, taking her love for granted, and thinking that she would always forgive them for it. Once she set out to accomplish her goals, she was determined that nothing would stop her from finally giving her kids a stable home and a secure education, owning her own businesses and at last finding someone who was worthy of her love.

*Emily Post* Laura Claridge, 2009-10-13 In an engaging book that sweeps from the Gilded Age to the 1960s, award-winning author Laura Claridge presents the first authoritative biography of Emily Post, who changed the mindset of millions of Americans with *Etiquette*, a perennial bestseller and touchstone of proper behavior. A daughter of high society and one of Manhattan's most sought-after debutantes, Emily Price married financier Edwin Post. It was a hopeful union that ended in scandalous divorce. But the trauma forced Emily Post to become her own person. After writing novels for fifteen years, Emily took on a different sort of project. When it debuted in 1922, *Etiquette* represented a fifty-year-old woman at her wisest-and a country at its wildest. Claridge addresses the secret of *Etiquette*'s tremendous success and gives us a panoramic view of the culture from which it took its shape, as its author meticulously updated her book twice a decade to keep it consistent with America's constantly changing social landscape. Now, nearly fifty years after Emily Post's death, we still feel her enormous influence on how we think Best Society should behave.

Written in clear, everyday English, with lots of colour photos, the book shows you step-by-step how to evaluate diamonds and settings. It has helped thousands of diamond buyers make smart choices and is a useful reference for jewelry salespeople when answering customers' questions about diamonds, precious metals and settings.
