Calla Gold

500 Wedding Rings Lark Books, Marthe Le Van, 2007 Presents a wide range of creative wedding ring designs from the world's most innovative designers and jewelers, showcasing a collection of contemporary, handmade wedding bands and engagement rings for both men and women by Etienne Peret, James Kaya, and other artists.

Design Your Dream Wedding Rings Calla Gold, 2019-01-25 Your wedding rings are the most important pieces of jewelry you'll ever have. As a symbol of love and a pledge of faithfulness they hold much. Making them unique is a fun and creative process. Author Calla Gold believes there is a jewelry designer in each one of us and that the jeweler's job is to ask questions and help find that design inside of you. In this book you'll find examples of textures and details that add definition to your design, that evoke a feeling or vibe. You'll see how your lifestyle effects your ring design choices. You'll read stories like the way Marlo and Ben used family diamonds in their designs, how the right shaped center diamond helped Kaitlyn's short fingers look longer, and how a Rock and Roll drummer chose a special finish to make his fiancé's ring pop. Questions like these will be answered; what's the difference between platinum and white gold? What engraving techniques are out there and which ones would work for you? Is rose gold a safe choice with tiny prongs? What's the difference between the engagement ring and the wedding band? What are good gemstone alternatives to a diamond in the center? This book is your guide to creating your dream engagement and wedding rings.

Van Gogh Starry Night Vincent van Gogh, Federico Castelli Gattinara, 2004 This title is one in a series presenting four masterpieces by four immortal nineteenth-century French painters. Each miniature book faithfully reproduces its title painting on the front cover, and is packaged in a handsome slipcase that doubles as a picture frame. The frame can stand up on a desk or tabletop or be hung on the wall to display the book cover's striking painting. Each book's interior discusses its title painting, describing the artist's approach to his work, analyzing the picture's fine points, and showing close-up details from the painting. A final two-page spread presents a timeline capsule biography that lists significant events in the painter's life. *Van Gogh--Starry Night* shows and discusses Vincent Van Gogh's masterpiece, which is a mystically glowing nighttime landscape, and ranks today as one of the artist's most popular and beloved paintings.

Making Trouble Greg Valerio, 2013-09-20 Fair trade jewellery has been around for a while - but while those crafting it worked under Fair Trade principles, the gold, silver and precious stones they were using came from some very murky places. Small scale mining is the second biggest global employer, and many of those mines pay a pittance, forcing their workers to labour long hours in dirty and dangerous conditions - for a pittance. Informed by those in the jewellery trade that this would never change, Greg Valerio set out to prove them wrong. Fairly traded gold is now available in the UK, although the battle continues for other metals and products.
