**Peter Cowie**

**Design Your Dream Wedding Rings** Calla Gold, 2019-01-25 Your wedding rings are the most important pieces of jewelry you'll ever have. As a symbol of love and a pledge of faithfulness they hold much. Making them unique is a fun and creative process. Author Calla Gold believes there is a jewelry designer in each one of us and that the jeweler's job is to ask questions and help find that design inside of you. In this book you'll find examples of textures and details that add definition to your design, that evoke a feeling or vibe. You'll see how your lifestyle effects your ring design choices. You'll read stories like the way Marlo and Ben used family diamonds in their designs, how the right shaped center diamond helped Kaitlyn's short fingers look longer, and how a Rock and Roll drummer chose a special finish to make his fiancé's ring pop. Questions like these will be answered; what's the difference between platinum and white gold? What engraving techniques are out there and which ones would work for you? Is rose gold a safe choice with tiny prongs? What's the difference between the engagement ring and the wedding band? What are good gemstone alternatives to a diamond in the center? This book is your guide to creating your dream engagement and wedding rings.

**Late City** Robert Olen Butler, 2021-09-07 The Pulitzer Prize-winning author shares an “exceptionally nuanced, tender, funny, tragic, and utterly transfixing portrait” of one man’s troubled century (Booklist, starred review). At 115 years old, former newspaperman Sam Cunningham is also the last surviving veteran of World War I. As he prepares to die in a Chicago nursing home, the results of the 2016 presidential election come in—and he finds himself in a wide-ranging conversation with a surprising God. As the two review Sam’s life, the grand epic of the twentieth century comes sharply into focus. Sam grows up in Louisiana under the flawed morality of an abusive father. Eager to escape, Sam enlists in the army while still underage. Though the hardness his father instilled in him helps him make it out of World War I alive, it also prevents him from contending with the emotional wounds of war. Back in the United States, Sam moves to Chicago to begin a career as a newspaperman that will bring him close to the major historical turns of the twentieth century. There he meets his wife and has a son, whose fate counters Sam’s at almost every turn. As he contemplates his relationships—with his parents, his brothers in arms, his wife, his editor, and most importantly, his son—Sam is amazed at what he still has left to learn about himself after all these years.

*The American Fantasies* James Schevill,1983 In this collection, Schevill brings together a series of poems that he has been working on since his first book was published in 1947. Diverse characters, both real and imaginary, reveal fantasies of American life and history. The dramatic voices of the characters contrast with the subjective voice of the narrator as he moves through time and space, remembering and anticipating.

*From Sea to Space* Ben R. Finney,1992 Insights gained into the ancient methods of travel by means of the canoe Hokulea have clarified early exploration patterns in Polynesia and convinced Finney that these explorations held relevance for the next phase of human outreach and colonisation, the investigation of space.--cf. Preface.
