Design Your Dream Wedding Rings Calla Gold, 2019-01-25 Your wedding rings are the most important pieces of jewelry you'll ever have. As a symbol of love and a pledge of faithfulness they hold much. Making them unique is a fun and creative process. Author Calla Gold believes there is a jewelry designer in each one of us and that the jeweler's job is to ask questions and help find that design inside of you. In this book you'll find examples of textures and details that add definition to your design, that evoke a feeling or vibe. You'll see how your lifestyle effects your ring design choices. You'll read stories like the way Marlo and Ben used family diamonds in their designs, how the right shaped center diamond helped Kaitlyn's short fingers look longer, and how a Rock and Roll drummer chose a special finish to make his fiancé's ring pop. Questions like these will be answered; what's the difference between platinum and white gold? What engraving techniques are out there and which ones would work for you? Is rose gold a safe choice with tiny prongs? What's the difference between the engagement ring and the wedding band? What are good gemstone alternatives to a diamond in the center? This book is your guide to creating your dream engagement and wedding rings.

**Betty Ford** Lisa McCubbin, 2019-04-23 From the #1 New York Times bestselling author of *Five Presidents and The Kennedy Detail* comes an “insightful and beautifully told look into the life of one of the most public and admired first ladies” (Publishers Weekly)—Betty Ford. *Betty Ford: First Lady, Women’s Advocate, Survivor, Trailblazer* is the inspiring story of an ordinary Midwestern girl thrust onto the world stage and into the White House under extraordinary circumstances. Setting a precedent as First Lady, Betty Ford refused to be silenced by her critics as she publicly championed equal rights for women, and spoke out about issues that had previously been taboo—breast cancer, depression, abortion, and sexuality. Privately, there were signs something was wrong. After a painful intervention by her family, she admitted to an addiction to alcohol and prescription drugs. Her courageous decision to speak out publicly sparked a national dialogue, and in 1982, she co-founded the Betty Ford Center, which revolutionized treatment for alcoholism and inspired the modern concept of recovery. Lisa McCubbin also brings to light Gerald and Betty Ford’s sweeping love story: from Michigan to the White House, until their dying days, their relationship was that of a man and woman utterly devoted to one another other—a relationship built on trust, respect, and an unquantifiable chemistry. Based on intimate interviews with her children, Susan Ford Bales and Steven Ford, as well as family, friends, and colleagues, Betty Ford is “a vivid picture of a singularly influential woman” (Bookpage).

Examples from such varied organizations as Hewlett-Packard, American Society for Quality, the nation of Singapore, the University of Texas, and many others, demonstrate the process in action. Along with its seven core design principles, The World Cafe offers practical tips for hosting conversations that matter in groups of any size- strengthening both personal relationships and people’s capacity to shape the future together.

Gerald R. Ford James Cannon,2013-04-16 “Not since Harry Truman succeeded Franklin D. Roosevelt twenty-nine years earlier had the American people known so little about a man who had stepped forward from obscurity to take the oath of office as President of the United States.” —from Chapter 4 This is a comprehensive narrative account of the life of Gerald Ford written by one of his closest advisers, James Cannon. Written with unique insight and benefiting from personal interviews with President Ford in his last years, *Gerald R. Ford: An Honorable Life* is James Cannon’s final look at the simple and honest man from the Midwest.

**The Traitor** Sydney Horler,2015-11-03 Spy thriller fiction written in the Golden Age of Murder War is coming—and that means our secret agents must get busy. August 1918. On his way to the Western Front, Captain Alan Clinton spends a night in Paris with a young Frenchwoman, Marie Roget. Seduced by Marie's charms, Clinton discloses British military secrets—with disastrous consequences. Seventeen years later. The central European state of Ronstadt is ruled by the ruthless dictator Kuhnreich, and Europe is inching towards another war. Clinton's son Bobby travels to Europe as the political situation grows tenser, and seems dangerously close to repeating the sins of his father—leaving only his girlfriend to prove his innocence in a race against time. This new edition of *The Traitor* gives contemporary readers a long overdue chance to rediscover an early thriller that is plotted with dash and verve—a novel that helps to explain the author's phenomenal popularity in his own time.

**Personal Memoirs of U. S. Grant Complete** Ulysses S Grant,2022-02-17 Ulysses S. Grant's memoirs, sold door-to-door by former Union soldiers, were once as ubiquitous in American households as the Bible. Mark Twain, Gertrude Stein, Henry

James, and Edmund Wilson hailed them as great literature, and countless presidents, including Clinton and George W. Bush, credit Grant with influencing their own writing. Yet a judiciously annotated edition of these memoirs has never been produced until now. The Personal Memoirs of Ulysses S. Grant is the first comprehensively annotated edition of Grant's memoirs, clarifying the great military leader's thoughts on his life and times through the end of the Civil War and offering his invaluable perspective on battlefield decision making. An introduction contextualizes Grant's life and significance, and lucid editorial commentary allows his voice and narrative to shine through. With annotations compiled by the editors of the Ulysses S. Grant Association's Presidential Library, this definitive edition enriches our understanding of the pre-war years, the war with Mexico, and the Civil War. Grant provides essential insight into how rigorously these events tested America's democratic institutions and the cohesion of its social order.
