The Deer Park Norman Mailer, 1997 Desert D'Or is the fashionable Californian resort where Hollywood's elite converge when they need a break. It is an incestuous hothouse of a town - a haven for manipulators, film stars, lovers, pimps, producers, whores, gamblers, scriptwriters and cheats. Into this nightmare world of depravity arrives Sergius O'Shaughnessy, recently discharged from the Air Force, traumatised by his war experiences and trying to write the Great American Novel. But O'Shaughnessy's burning ambition begins to lose its edge; lured by greed and ruled by weakness, he soon becomes disturbingly familiar with the dangerous life of slick compromises and sexual follies... *The Deer Park* is a powerful and vigorous satire on Hollywood's excesses and corruption. Combining a savage imagination with a heightened documentary realism, Mailer paints an uncompromising and terrifying portrait of a decadent society lost in moral confusion and despair.

General Matthew B. Ridgway Paul M. Edwards, 1993-08-23 This is the most comprehensive bibliography to date of works by and about General Matthew B. Ridgway, one of America's greatest military leaders. This short reference guide

covers the entire career of this professional soldier and diplomat from World War I through World War II and his command of the first American Airborne Corps in Europe, his command of the Eighth Army in Korea, his command in the Pacific, Japan, and NATO, and his later service as Army Chief of Staff. This study offers a short biographical sketch, identifies important archival sources, and provides annotations with the 367 citations to books, documents, journal articles, and other materials. The bibliography is organized into chapters dealing with various genres of material, periods, and topics and then arranged alphabetically by author. The indexes to periodicals, authors, and subjects make the material easily available for the use of students, scholars, and experts interested in America's military history from 1917 to the present.

Small Wars Manual United States Marine Corps, 2021-12-03 The Small Wars Manual is a manual on tactics and strategies for engaging in certain types of military operations created by the United States Marine Corps. The purpose of this work is sharing experience and preserving the achievements of tactics and organization of small wars, or different military operations of the United States in countries where government is unstable, inadequate, or unsatisfactory for the preservation of life and of such interests as are determined by the foreign policy of the United States. The book starts with the definition of the term small war and continues into more than 500 pages on tactics, personnel structure, communication chain, transportation and logistics, military-civil relationship, psychological side of war, training, and support of native armed organizations and much more. The book is extremely interesting as a manual on tactics, whether it is used for a military operation or any other sort of massive campaign involving a large part of population, like elections. For example, it contains a chapter telling how to plan and organize legally the disarmament of local population. It tells what laws should be issued and what organizations form, what sort of personnel should be involved and what should be their roles. A reader will find guidelines on how to distribute and spare resources needed for a campaign, and how to properly cross a river in a dangerous area. Given the book's organization, structure and abundance of important information, covering different aspects of civil and military campaigns, this volume is a must-read for any person engaged in a state service or a student considering career in serving their country.

The Case of Mr Lucraft Walter Besant,2022-09-15 The Case of Mr. Lucraft is a careful study of the notorious Mr. Ebenezer Grumbelow, possessed of unholy powers, a fiendish resolve, and diabolical selfishness. Excerpt: I HAVE more than once told the story of the only remarkable thing which ever happened to me in the course of a longish life, but as no one ever believed me, I left off telling it. I wish, therefore, to leave behind me a truthful record, in which everything shall be set down, as near as I can remember it, just as it happened. I am sure I need not add a single fact.
