**The Athena Project** Brad Thor, 2010-11-23 From #1 New York Times and #1 Wall Street Journal bestselling author Brad Thor, four deadly women from the top-secret Athena Project join Delta Force as they undertake one of the nation's most dangerous assignments. The world's most elite counterterrorism unit has just taken its game to an entirely new level. And not a moment too soon... From behind the rows of razor wire, a new breed of counterterrorism operator has emerged. Just as skilled, just as fearsome, and just as deadly as their colleagues, Delta Force's newest members have only one thing setting them apart—their gender. Part of a top-secret, all-female program codenamed The Athena Project, four of Delta's best and brightest women are about to undertake one of the nation's deadliest assignments. When a terrorist attack in Rome kills more than twenty Americans, Athena Team members Gretchen Casey, Julie Ericsson, Megan Rhodes, and Alex Cooper are tasked with hunting down the Venetian arms dealer responsible for providing the explosives. But there is more to the story than anyone knows. In the jungles of South America, a young US intelligence officer has made a grisly discovery. Surrounded by monoliths covered with Runic symbols, one of America's greatest fears appears to have come true. Simultaneously in

Colorado, a foreign spy is close to penetrating the mysterious secret the US government has hidden beneath Denver International Airport. As Casey, Ericsson, Rhodes, and Cooper close in on their target, they will soon learn that another attack—one of unimaginable proportions—has already been set in motion, and the greatest threat they face may be the secrets kept by their own government.

John Wesley Stephen Tomkins, 2003 This biography tells the story of John Wesley's colourful and dramatic life, beginning with his childhood and his family background, looking especially at the influence of his powerful and austere mother, Susannah. The author then goes on to examine Wesley's school and university careers (including the Holy Club), his mission to Georgia and finally his conversion and mission to England - including the organisation of methodist societies. Key issues in Wesley's life, such as his renunciation of wealth and the role of women, are given prominent treatment as is an assessment of Wesley's long-term impact both in this country and abroad.

**Healing** Phil Wolfe Fssp, 2018-08-19 Each one of us truly desires to be happy, to be loved, and to be free. Given that, why is this so rare? Why are so few people truly happy? Why do so few have a deep inner peace? And more importantly, what can be done about it? This short work, rooted in an authentically Catholic spirituality, and written in an engaging, easy to understand style, answers those questions, starting with a basic explanation of spiritual woundedness - the fundamental cause of so much emotional bondage, unhappiness, and inability to love or be loved - and following that, provides an eminently practical guide for healing. Given the chaos and confusion reigning in Church and society, it is more urgent than ever for each person who really wants to heal, who really wants to have a truly deep and profound relationship with Jesus, to have a reliable guide. Healing: Selections from the Sermons of Fr Phil Wolfe FSSP meets that need.

**Necessary Theater** Jorge A. Huerta, 1989-07-01 Huerta, a leading exponent of contemporary Chicano theater, has assembled six short, representative plays that not only share the common theme of survival but also have received successful staging. The plays' stylistic variety, from the Brechtian *Guadalupe* and *La victima* through the realistically domestic *Soldierboy* to the modern morality play *Money*, combined with useful introductions both to the collection as a whole and to

each of the scripts, enhances the anthology's value. Readers should be informed that some scenes are bilingual and some written entirely in Spanish. Recommended especially for libraries serving Hispanic communities.
