**Design Your Dream Wedding Rings** Calla Gold, 2019-01-25 Your wedding rings are the most important pieces of jewelry you'll ever have. As a symbol of love and a pledge of faithfulness they hold much. Making them unique is a fun and creative process. Author Calla Gold believes there is a jewelry designer in each one of us and that the jeweler's job is to ask questions and help find that design inside of you. In this book you'll find examples of textures and details that add definition to your design, that evoke a feeling or vibe. You'll see how your lifestyle effects your ring design choices. You'll read stories like the way Marlo and Ben used family diamonds in their designs, how the right shaped center diamond helped Kaitlyn's short fingers look longer, and how a Rock and Roll drummer chose a special finish to make his fiancé's ring pop. Questions like these will be answered; what's the difference between platinum and white gold? What engraving techniques are out there and which ones would work for you? Is rose gold a safe choice with tiny prongs? What's the difference between the engagement ring and the wedding band? What are good gemstone alternatives to a diamond in the center? This book is your guide to creating your dream engagement and wedding rings.

*The Engagement Ring Guide For Men: Everything You Should Know Before Popping The Question* Michael Khordipour, Afshin Shaddaie, Benjamin Khordipour, 2019-11-12 An easy-to-read book that will help you navigate through one of the biggest moments (and purchases) of your life. Khordipour and Shaddaie of Estate Diamond Jewelry have been selling vintage rings and jewelry for decades, and throughout all that time they kept seeing the same problem pop up: most guys who are looking to buy an engagement ring enter the store with almost no prior knowledge. They are completely at the mercy of the jeweler. Most men don't even know what the word carat actually means. Important words like filigree, fluorescence, bezel-set, milgrain, or polished girdle are like a completely different language to them. Last year, however, Khordipour and Shaddaie decided that they were going to fix this problem. They set out to write a book that would provide all the answers that someone would need to know before buying their engagement ring. Here is what you can expect to learn from this book: A Complete Education on Diamonds Tips to Saving Money on Your Ring An Overall Jewelry Education How to Propose Successfully? Engagement Ring Customs and Traditions How to Figure Out Her Style Discover if you're Ready to Get Married?

Blue Nile, Inc Alan Nathan Hoffman, 2011 Built on the premise of making engagement rings selection simpler, Blue Nile, Inc. (formerly known as Internet Diamonds, Inc.) has developed into the largest online retailer of diamond engagement rings. Unlike traditional jewelry retailers, Blue Nile operates completely store-front-free, without in-person consultation services. The business conducts all sales online or by phone and sales include both engagement (70%) and non-engagement (30%) categories. Therefore, the company focuses on perfecting its online shopping experience and providing extraordinary jewelry, useful guidance, and easy-to-understand jewelry education to help you find the jewelry that's perfect for your occasion. Blue Nile's vision is to educate its customer base so that customers can make an informed, confident decision no matter what event they are celebrating. It wants to make the entire diamond-buying-process easy and hassle-free. In addition, an important part of Blue Nile's vision, as CEO Diane Irvine said in a recent webinar with Kaihan Krippendorf, is for the company to be seen as the smart way to buy diamonds, while saving 20-40% more than one would in the typical jewelry

store. Blue Nile is working to become the Tiffany for the next generation.
