The second half of each volume describes the important and everyday fashion and styles of the period, decade by decade, for women, men, and children. The set also includes helpful timelines; resource guides listing web sites, videos, and print publications; an extensive glossary; and illustrations. Fashion is not for the exclusive use of the social elite and the rich, nor can it be simply dismissed as just showing off. We use fashion to express who we are and what we think, to project an image, to bolster our confidence, and to attract partners.
