Open Hearts Jane Seymour, 2008-12-23 If Your Heart Is Open, Love Will Always Find Its Way In. An open heart is a universal symbol of giving and receiving love. This precious keepsake companion perfectly compliments the elegant jewelry designed by Emmy Award-winning actress Jane Seymour for her debut line exclusive to Kay Jewelers. Open Hearts reflects life's joys, heartaches, and inspirations and symbolizes that only when you can love yourself and keep your heart open are you able to give and receive love. This theme is celebrated through a collection of poems, essays, quotes, and Jane Seymour's equally inspirational Healing Hearts paintings. The coalescence of words and art speak to every kind of love in people's lives. They prove that it's a force that flows unconditionally, because if your heart is open, it can never stay broken.

Guide to Gems & Jewellery Gavin Linsell, 2007

Popular Jewelry Roseann Ettinger, 1997 Collecting antique jewelry can bring you endless hours of enjoyment, for it not only satisfies a love of days gone by but also brings a yearning to learn more about other times and places. The collector shows a desire to be unique in setting, rather than following, fashion trends. Roseann Ettinger's book reads like a treasure

hunt. In six chapters, she takes the reader on a tour of antique jewelry from the 1840s to the 1940s, covering the Victorian era through Art Nouveau, Transitional, and Art Deco. Fascinating details on various pieces, their origins, and their makers make the jewelry come alive. Beautifully arranged full-color photographs of cameos, hair combs, hat pins, necklaces, buckles, chokers, lockets, and many other pieces handsomely complement the text. Popular Jewelry aids the reader in identifying period jewelry and the materials used in their manufacture. It also provides invaluable information for the novice collector who cannot always tell a genuine antique from a copy. The effects of history, culture, and materials on jewelry, and the effects of jewelry on culture, are intricately interwoven. An updated price guide and index are included.

Saint Michael the Archangel James F. Day, 2020-08-10 Saint Michael the Archangel, defend us in battle! Throughout salvation history, Saint Michael the Archangel has appeared when God's people needed spiritual protection, healing, and victory. Today, many faithful still turn to him for assistance, and parishes across the world pray to him to defend our Church. But what do we really know about Saint Michael? In Saint Michael the Archangel you'll discover the fascinating biography of the angel whose mission from God is to do battle against Satan and all the evil spirits. Weaving together Scripture, history, papal documents, and popular devotion, author James Day fills in the gaps of our knowledge about Saint Michael, revealing the impact the mighty defender has on individuals, the Church, and the world. Saint Michael the Archangel also highlights the main shrines dedicated to Saint Michael, and includes the text of prayers, hymns, and poems written to honor him. ABOUT THE AUTHOR James Day is a frequent contributor to Catholic Exchange, Crisis, and Catholic World Report, and is the author of Father Benedict: The Spiritual and Intellectual Legacy of Pope Benedict XVI. He is a producer and operations manager for EWTN's West Coast Studio at the Christ Cathedral campus in Orange County, California.

Brave Love Lisa Leonard, 2023-10-03 Women today feel pressure to be the best wife, mom, and professional possible-- often at the expense of their own identity. But what if you could experience deep peace--knowing you are loved right now, just as you are? In *Brave Love*, the founder of the multimillion-dollar company Lisa Leonard Designs inspires women to find themselves again amidst the noise and competing demands of real life. This paperback edition includes a new foreword written by Stephen Leonard, exclusive discussion questions for personal reflection, and a Q&A between Lisa and Steve. *Brave Love* is about what it means to be human, how it feels to be broken and afraid, and what happens when we dare to love deeply. Join Lisa on a journey where you will discover you are worthy and lovable just as you are. You don't have to try harder or be better. You don't have to prove yourself, and you don't have to make others okay. In this freedom you will find more peace and more joy. Most importantly, you will learn that as you stop trying to be everything to everyone, you will love others better. Lisa Leonard shares her story of finding truth and wholeness in the midst of life's competing demands. When she said her marriage vows, she was determined to be the best wife she could be. When her first son was born with a severe disability, Lisa promised herself she would always be the mother he needed. When she began her jewelry business, Lisa committed to giving it her all. Over the years, the exhaustion of trying to be the perfect wife, mother, and businesswoman

took its toll. Lisa knew it wasn't working. She wanted to change things, but how? Everyone depended on her. So she kept going, kept pushing, kept trying to prove she could do it all. Until one evening, in tears and desperation, Lisa realized that she could no longer be everything to everyone. Somewhere along the way, she had lost herself. In *Brave Love*, Lisa shares her story of losing--and finding--her own voice in the clamor of family, career, and internal pressure to prove herself.
