Enough LaTissha L. Graves Haynes,2009-05-29 She fell in love and married a younger man. In love; happiness and joy surrounded them until he had an affair. They fought for their marriage not realizing that it wasn't in her husband's intention or heart to stay faithful. Instead of leaving after a second affair she stayed, which brought about abuse. Mental, emotional and physical abuse trapped her within herself and her home. It wasn't until she lost herself and her son that she realized she was tired of fighting. She had had ENOUGH!!! What do you do when love hurts? A story of life, love, and loss, Enough shows the strength of a woman and how her faith saved her. It is about letting go when it is time to let go and finding oneself and keeping it. When things are going wrong, God will step in on time.

Making Trouble Greg Valerio,2013-09-20 Fair trade jewellery has been around for a while - but while those crafting it worked under Fair Trade principles, the gold, silver and precious stones they were using came from some very murky places. Small scale mining is the second biggest global employer, and many of those mines pay a pittance, forcing their workers to labour long hours in dirty and dangerous conditions - for a pittance. Informed by those in the jewellery trade that this would never change, Greg Valerio set out to prove them wrong. Fairly traded gold is now available in the UK, although the battle continues for other metals and products.
