My Diamond ,2019-10-30 A collection of poems including formal and free verse.

Dear Diamond Stephie Walls,2018-11-18 She wasn't mine to claim--I knew nothing about her.But then our eyes met...She danced on stage, exposed in more ways than just her lack of clothing. I expected to see lust. Instead, I got anger, hatred, resentment. She was in deep with the company I'd escaped, and my presence at Club Swank made me guilty by association.But I refused to let them have her.I'd protect her at all costs. After all, they owed me.

The Diamond's Journey Susanne Steiner,2017-09-28 The Diamond's Journey begins in California in 2005, when a woman receives a diamond ring as part of an inheritance. She is the fourth person she knows of to have worn the ring. Upon discovering the ring is over 100 years old, she realizes there must have been others who had the opportunity to wear the ring as well. This launches the story of how and where the diamonds were discovered, the trader who obtained them, their journey to France, only to be sold in their raw state to an American collector, who re-sells them to the famed JP Morgan, who gives them as a bonus to a young protégé, who has them cut and polished in the new 'ideal cut' in order to propose to his future bride. The ring is then left in a drawer and forgotten until it is found again and used to negotiate freedom, as a gift for saving a life, bartered for food, presented as a gift, and re-used as an engagement ring. It is gifted in appreciation, and passed down from a mother to a daughter, and then a daughter-in-law.

Diamond Is Fragile Rustem Valayev,2012-09-12 The novellas about precious stones tell about the nature, structure and search of the gems, as well as their history. Some of them are dedicated to the Russian gems, specifically to the Ural and Ukrainian emeralds, topazes and decorative stones. The thrilling storylines of the novels are interwoven with folk legends, myths and fairy tales. - Rustem Valayev, author Diamond is Fragile was one of my favorite books from my late grandfather's library. Much to my surprise (and dismay) it was only published once in the former Soviet Union many decades ago and (to the best of my knowledge) has never been published abroad. I was inspired to translate Diamond is Fragile into English by

my father-in-law - Thom Seymour, Sr. - due to his passion for geology and history (topics amply covered in the book). I hope that other English-speaking readers who are interested in these disciplines will enjoy it as well. - Maria K., translator

The Necklace Cheryl Jarvis, *Women of Jewelia*, 2008 Four years ago, Jonell McLain saw a diamond necklace in a jewelry store window. The necklace aroused desire first, then a provocative question: What if we shared what we desired? Several weeks, dozens of phone calls, and a leap of faith later, Jonell bought the necklace with twelve other women. With vastly dissimilar histories and lives, the women transcended their individual personalities and politics to join together in an uncommon journey. Part charm, part metaphor, part mirror, the necklace weaves in and out of each woman's life, and comes to mean something dramatically different to each of them. What started as a quirky social experiment became something far richer and deeper, as the women transformed a symbol of exclusivity into a symbol of inclusiveness. They discovered that sharing the necklace was only the beginning: the more they shared with others, the more profound this experience became.-- From publisher description.

Eternity - Ric Diamond Ric Diamond, 2013-11-07 Modern Poetry For Today's World

Blu Diamonds Kevin Hollingsworth, 2019-05-04 After completing his latest poetry book, *Stellar*, Hollingsworth had no plans of writing another collection of poetry. Hollingsworth, however, continued to be inspired to write beautiful words. His heart touched daily, Hollingsworth, over the course of one year, wrote 76 poems; that he humbly presents to the world in *Blu Diamonds*.

Another Kind of Diamond Gloria Obizu, 2012-07-01 An inspirational book for everyone Another kind of Diamond discusses a girl who had to go through the horrible ordeal of abuse and neglect in the hands of her parents. However, as we read we discover that even though her up-bringing was nothing to write home about yet she had ample opportunities to make all wrongs right. For instance she is gifted in physical and intellectual abilities. Granted the chance for a fresh start, a good husband, even loyal friends at some other points and wealth too, but she stuck to self destructive ways and ended her life in ruin.

Diamond in the Dark Daniel Waudby, 2023-06 *Diamond in the Dark* is more than a book about the fantasies of love and life. It's an expression of self - turning heartbreak and trauma into words of art. This book offers an insight into the mind of a man that expresses his desires of finding his one true love - I never knew, I would find the universe in someone's eyes till I found an ocean of stars when I look into yours. Through a series of traumatic events in his life - battling severe anxiety / depression / suicide, he had found a way through the darkness to find his own Diamond in the Dark. You may be triggered - as you progress through the book to the darkest aspects of life. However, one thing is for sure - Throughout the darkest of nights comes the brightest of days. The sun will always rise again and so shall you. Followed by the rising of the sun - we gain a wider view of the experience that never came into fruition, which grew into Diamonds in the Dark. Sometimes the things

that never happened are the best thing to ever happen

Diamond Filled Sands Amanda Vaughn,2012-02 To my readers, may you find comfort and peace as you journey into my world. These poems are a part of me and my life. They are real and they are an account of times and feelings I have been through in my life.

Simply Gone Jeffrey T Diamond,2023-08-11 Breaking up with my soulmate, like eating from the tree of knowledge . . . This chapbook explores the ways love can haunt after it has been lost. Sometimes, the love reappears as a memory. Sometimes, unexpectedly, it reappears as something more-as a spirit, a voice, or even the innermost self. What happens to the love during such times? Through twenty poems and one short story, which fluctuate between the philosophical and the intimately emotional, such love is given expression.

Diamond's Triangle Keith Outerbridge,2016-07-18 Diamond was faced with the most traumatic news that rocked her world to the core in Part 1. But now 20 years later, she is still experiencing more devastating family issues, that may destroy her outlook on life. Will Diamond find the strength to overcome the hardships and set backs that life has to offer? Will she overcome the trials and tribulations in order to move on with her life? More Twist and Turns than ever before. More Drama to keep you on the edge of your seat. Read this book to find out what finally happens to Diamond's Triangle Part 2: 20 Years later... The Finale of an Unusual Love Story.

The Sheikh's Diamond Leslie North,2016-11-08 True love is priceless-or is it?Sheikh Masoud Khalidizack is terminally bored by palace life. With his elder brother inheriting his father's responsibilities and his younger brother treating life like one big party, he often feels left behind. When a family friend suggests a bet to see which brother will be left unwed at the end of the year, Masoud thinks it is impossible to lose and he's already making plans on what to do with the prize - Muharraaq Island.That all changes with the arrival of headstrong Fleur Summers, a beautiful archaeologist bent on finding the legendary Solomon Diamond. It was once part of the Khalidizack family's heritage, but now it is lost to history. Her reputation depends on finding it and putting it into a museum, but the distractingly handsome Sheikh who hired her certainly isn't helping. In fact, Masoud intends to restore the diamond to its rightful place - in the Khalidizack palace.Now, they have to overcome their mutual mistrust and simmering attraction to find the artifact that could bring glory to them both. In a race against ruthless rivals that spans continents, finding the prize will bring them together or destroy one of their lives.

A Rare Diamond Amara L. Russell,2018-03-15 From author Amara Russell, comes A Rare Diamond, her debut novel that teaches us all to use the wisdom and insight within to learn to trust in the plan that God has for our lives. No matter how difficult our circumstances become, never give up-you have the power to make the choice to do whatever it takes to accomplish your dreams. Readers will meet Celeste, the novel's startlingly wise, kind, smart, and inspirational main character, and will follow along with her as she navigates the ins and outs of growing up, all while her faith is tested through many

challenges, pain, and suffering. Having lost her mother at the age of five, Celeste was raised by her father and three older brothers. Like many of us, Celeste suffers setbacks-tragedy, broken friendships, and discovering true love, to name a few-yet she learns from her mistakes and always overcomes. As readers explore, in depth, the challenges Celeste faces, women and men, both young and old alike, will find themselves smiling, laughing, and no doubt shedding a few tears. *A Rare Diamond*, is a life-changing and fulfilling read, and is for anyone who needs the motivation to break through life's setbacks and sadness to the other side-where it's possible to discover how to truly connect with life's experiences.

Diamonds Are Natural Wonders Brad Reeser,2023-04-30 In this captivating tale, a young girl stumbles upon a sparkling diamond necklace in a store window and becomes fascinated with its beauty. Her curiosity leads her on a journey to learn where diamonds come from and how they end up in jewelry. From the depths of mines around the world to the intricate process of cutting, polishing, and grading using the 4Cs of diamonds, the girl discovers the true value of these precious stones. As she shares her newfound knowledge with her mother, they bond over her mother's own diamond wedding ring and the special meaning it holds. Through this heartwarming moment, the girl realizes that diamonds are not just pretty gems, but also symbols of love, commitment, and cherished memories. Join her on this illuminating adventure and discover the true brilliance of diamonds.

An Accidental Light Elizabeth Diamond,2009-01-02 I've seen her a thousand times. Running through the blue shadows in the rain. Stopped by a screech of brakes and my voice shouting. Stopped by the sudden boom of my heart. On a quiet road just outside London, in the blue half-light of dusk, a car accident will change the lives of two families forever. Jack Philips is a happily married policeman with two small daughters, but the accident forces him to reassess everything he loves - and to confront long-buried secrets. For Lisa Jenkins, the devastation seems almost unbearable. Until she discovers an inner strength she never knew she had - and the courage to change her life completely. This heartbreaking but ultimately uplifting debut novel explores the ripple effects of a single moment of tragedy - the journey from guilt to peace, from vengeance to forgiveness, from grief to hope - and even, ultimately, to joy.

The Diamond Gail Scott,2017-09-13 This book is a project of transparency. These printed words are a culmination of life experiences that have been buried inside of me for years. It tells the story of Gail and where I came from. What road was I going down, with no one to teach me right from wrong or good from bad? This story is the height and depth of a young girl's life, and how she endured pain and suffering at the hands of her mother and men in her life. It epitomizes the struggle of living with children as a single parent without any support. It is how I endured and came forth victorious. Prayerfully, these words will inspire someone and encourage others to press on and endure another day to higher heights. The primary goal for my story is to show how they, too, can overcome any adversities and obstacles that may come their way, just as I have.

Diamond Rachel McIver Thomas,2001-05-01 Letti Clayborne is married to an abusive man. Then, abandoned by her

husband, she struggles to survive until she meets Willy Calder. Together they learn that love can overcome anything.

Diamond Sandra Raine, 2016-05-04 Having been freed from the one man responsible for prostituting her, Jane is now free and living a new life with her real family. But in spite of Jane's father's status as a well known crime boss with ties to human trafficking, Jane is about to find herself caught up in a deception after she is inadvertently kidnapped and rendered unconscious while in the midst of rescuing her sister from a potential kidnapping. Unsure of what has happened in the last 48 hours, Jane wakes up and finds that her sister has been sold to a gang of sex-traffickers. Facing a death warrant for her intrusion, Jane is instead befriended by a ruthless street ruffian ordered to get rid of her, and from him, Jane learns that her sister's abduction wasn't accidental but deliberate, and by the order of, and none-other-than, her father due to a personal indifference. Torn between her loyalty to her sister and her family and her rage for the deception, Jane transforms into Diamond and hits the tracks of Hollywood Boulevard as a prostitute in search of her sister who is feared working for a cartel pimp as a prostitute herself. But instead of finding her sister, Jane instead finds something else: The truth behind Diamond.
