Diamond in the Stone River Blue,2019-08-26 Within the pages of this book can be found one man's incredible journey to find true lasting peace and happiness, the great news is "I found both! Not in things places or people but somewhere we would not think to look. If you will allow me, I will show you, and I promise you "all your dreams can come true!" My Poetry and story are the result of my personal amazing journey and the key to finding your true self happiness and Peace.

The Undesirable Black Diamond Sally R. McGoon,2012-12-29 This book depicts the struggles and the hardships that a young girl endures growing up with a single parent background in a hostile ethnic environment where she was expected to live up to certain high standards. Caught in a vicious circle of false humility, hypocrisy, jealousy and competitiveness she was constantly ostracized for a crime beyond her control which is being the daughter of a high profile indigenous woman in the early 1960s till the mid 1980s. In retrospect, her mother was indeed very reputed and a respected member of society, was a Producer and Presenter for the ethnic womans program for the national radio station, hence a household name. She has travelled extensively around the globe representing her country many times. In comparison this childs life was a living hell, likened to living in a glass house where nothing is hidden and everything is under surveillance and the scrutiny of constant criticism, harsh comparisons with other children, suffering emotional and verbal abuse, mounting peer pressure and the overwhelming expectations to perform to an unreasonable standard. Most failing to realise, that the two although mother and daughter, are separate entities who in their own right are special, unique and belong to different generations. This occurred at a time where the norm was a life of respect and reverence for the chiefs and elders of the community. People are prone to act in a way of communal thinking and individuality is not really encouraged as emphasis is generally on the family reputation with little or no regard for the individuals that form the family. Unfortunately this practice still prevails today with some families back home which later cripples individuals and more so society. In spite of how she started, how it affected and marred her life, she fought to survive the best way she knew how. She made mistakes along the way but still she searched to find her answers. She never settled for seconds but will fight to get only the best of what she can get. Never one to live life lying or sitting down she opted to face her opponent standing and with eyes wide open. Truly unafraid and yet fragile enough to and for change. The battle is mostly won if you plan and brace yourself for the impact, though scarred but in time when healed, the enemy will eventually cease to win.

The Diamond's Journey Susanne Steiner, 2017-09-28 The Diamond's Journey begins in California in 2005, when a woman receives a diamond ring as part of an inheritance. She is the fourth person she knows of to have worn the ring. Upon discovering the ring is over 100 years old, she realizes there must have been others who had the opportunity to wear the ring as well. This launches the story of how and where the diamonds were discovered, the trader who obtained them, their journey to France, only to be sold in their raw state to an American collector, who re-sells them to the famed JP Morgan, who gives them as a bonus to a young protégé, who has them cut and polished in the new 'ideal cut' in order to propose to his future bride. The ring is then left in a drawer and forgotten until it is found again and used to negotiate freedom, as a gift for saving a life, bartered for food, presented as a gift, and re-used as an engagement ring. It is gifted in appreciation, and passed down from a mother to a daughter, and then a daughter-in-law.

Dear Diamond Stephanie Walls, 2018-11-18 She wasn't mine to claim--I knew nothing about her. But then our eyes met... She danced on stage, exposed in more ways than just her lack of clothing. I expected to see lust. Instead, I got anger, hatred, resentment. She was in deep with the company I'd escaped, and my presence at Club Swank made me guilty by association. But I refused to let them have her. I'd protect her at all costs. After all, they owed me.

My Diamond, 2019-10-30 A collection of poems including formal and free verse.

The Priceless Diamond Marion Wornum, 2017-11-30 Before A Heart's Garden, in the land of thoughts, Was A Kingdom. And in this kingdom a king dwelled. Jaded Diamonds T'Ana Phelice, 2012-01-30 Seven women struggle through the challenges of love and love lost while seeking redemption.

Diamond Is Fragile Rustem Valayev, 2012-09-12 The novellas about precious stones tell about the nature, structure and search of the gems, as well as their history. Some of them are dedicated to the Russian gems, specifically to the Ural and Ukrainian emeralds, topazes and decorative stones. The thrilling storylines of the novels are interwoven with folk legends, myths and fairy tales. - Rustem Valayev, author Diamond is Fragile was one of my favorite books from my late grandfather's library. Much to my surprise (and dismay) it was only published once in the former Soviet Union many decades ago and (to the best of my knowledge) has never been published abroad. I was inspired to translate Diamond is Fragile into English by my father-in-law - Thom Seymour, Sr. - due to his passion for geology and history (topics amply covered in the book). I hope

that other English-speaking readers who are interested in these disciplines will enjoy it as well. - Maria K., translator

For Love of Nikki Diamond Ronn Parker PH D, 2004-06 A testament of love. A catalyst between two different souls, who triumph over trials of human conflict, to emerge into joyful, infinite light.

The Necklace Cheryl Jarvis, Women of Jewelia, 2008 Four years ago, Jonell McLain saw a diamond necklace in a jewelry store window. The necklace aroused desire first, then a provocative question: What if we shared what we desired? Several weeks, dozens of phone calls, and a leap of faith later, Jonell bought the necklace with twelve other women. With vastly dissimilar histories and lives, the women transcended their individual personalities and politics to join together in an uncommon journey. Part charm, part metaphor, part mirror, the necklace weaves in and out of each woman's life, and comes to mean something dramatically different to each of them. What started as a quirky social experiment became something far richer and deeper, as the women transformed a symbol of exclusivity into a symbol of inclusiveness. They discovered that sharing the necklace was only the beginning: the more they shared with others, the more profound this experience became.-- From publisher description.

Eternity - Ric Diamond Ric Diamond, 2013-11-07 Modern Poetry For Today's World

Blu Diamonds Kevin Hollingsworth, 2019-05-04 After completing his latest poetry book, *Stellar*, Hollingsworth had no plans of writing another collection of poetry. Hollingsworth, however, continued to be inspired to write beautiful words. His heart touched daily, Hollingsworth, over the course of one year, wrote 76 poems; that he humbly presents to the world in *Blu Diamonds*.

Diamond Eyes Diamond Rose Martin, 2024-03-05 Follow the pain, trauma, and tumultuous family saga of December Rose, from her mother's birth to watching her own children grow up and attend school. When December Rose's momma was born, she entered the world as the first daughter and fifth child of Edd and Maude. So began a winding, chaotic life between relationships - both with family and lovers - that consistently changed the course of December's life. Travel with December through moves across the country, new father figures, first loves, challenging parental situations, and more. Readers even get a where are they now, flash forward at the end. From getting married, to escaping abuse, to dealing with grief, loss, infidelity, and more, the family life of December Rose offers a stark picture of the reality that many people face on a day to day basis. The author hopes her narrative inspires hope, encourages healing, and makes others in similar situations feel less alone. Inspired by the author's own stories and lived experience, *Diamond Eyes* places a spotlight on the most pivotal moments of two women's lives - December Rose and her mother - as they navigate existence in and out of the best and worst times of their lives. The perfect choice for book clubs, beachside reads, and women readers over the age of 25, *Diamond Eyes* is a breathtaking narrative wrought of trauma, mental illness, and survival.

Another Kind of Diamond Gloria Obizu, 2012-07-01 An inspirational book for everyone *Another kind of Diamond* discusses

a girl who had to go through the horrible ordeal of abuse and neglect in the hands of her parents. However, as we read we discover that even though her up-bringing was nothing to write home about yet she had ample opportunities to make all wrongs right. For instance she is gifted in physical and intellectual abilities. Granted the chance for a fresh start, a good husband, even loyal friends at some other points and wealth too, but she stuck to self destructive ways and ended her life in ruin.

The Twelve Horizons of Charlie - Diamond Melody Anne,2021-08-26 Charlie Diamond was raised by incredible parents in Prairie Town, Oregon where everyone knows their neighbors and a kid can't get away with anything. To top that off, her father is the small town's preacher, making her nearly untouchable. But that doesn't stop one boy from crossing the line in the sand her father has drawn. Bentley Lawrence III has also been born and raised in Prairie Town as well. As a matter of fact, he's from four generations back, and his family owns a huge ranch, and logging land that employees most of the town. Bentley's twin sister, Stephanie Lawrence is best friends with Charlie, and somewhere between kindergarten and high school Bentley has fallen madly in love with Charlie. Sometimes, though, love just isn't enough, not when unbearable tragedy hits when that seems an insufferable possibility. When Charlie's world falls out from beneath her, a deathbed promise, and a loving best friend, sends Charlie on a whirlwind to find herself and live the dreams she promised Bentley she'd live.

We Are Made of Diamond Stuff Isabel Waidner,2019-01-20 We Are Made Of Diamond Stuff is an innovative and critically British novel, taking issue with the dream of national belonging. Set on the Isle of Wight, a small island off the south coast of England, it collides literary aesthetics with contemporary working class cultures and attitudes (B.S. Johnson and Reebok classics), works with themes of empire, embodiment and resistance, and interrogates autobiographical material including the queer migrant experience. Isabel Waidner will save the nation & save our souls. Joanna Walsh We Are Made Of Diamond Stuff evokes a topsy-turvy, highly animated world to explore a declining empire's hopelessly fucked up inequities of class, race, queerness, and immigration status. At one point the narrator (who looks like Eleven from Stranger Things but who happens to be 36) blurts out, Where's reality, I want to change it. This is one of the saddest lines I've ever read, perfectly rearticulating the no there there anxiety that Gertrude Stein attributed to modern life a century ago. In a world in which everything is stacked against them, Isabel Waidner's resourceful characters survive, not just physically but spiritually as well. Despite their unflinching vision into virulent social practices, they never lose heart. Dodie Bellamy

Diamond in the Dark Daniel Waudby,2023-06 Diamond in the Dark is more than a book about the fantasies of love and life. It's an expression of self - turning heartbreak and trauma into words of art. This book offers an insight into the mind of a man that expresses his desires of finding his one true love - I never knew, I would find the universe in someone's eyes till I found an ocean of stars when I look into yours. Through a series of traumatic events in his life - battling severe anxiety / depression / suicide, he had found a way through the darkness to find his own Diamond in the Dark. You may be triggered -

as you progress through the book to the darkest aspects of life. However, one thing is for sure - Throughout the darkest of nights comes the brightest of days. The sun will always rise again and so shall you. Followed by the rising of the sun - we gain a wider view of the experience that never came into fruition, which grew into Diamonds in the Dark. Sometimes the things that never happened are the best thing to ever happen

Diamond Filled Sands Amanda Vaughn, 2012-02 To my readers, may you find comfort and peace as you journey into my world. These poems are a part of me and my life. They are real and they are an account of times and feelings I have been through in my life.

Diamond's Triangle Keith Outerbridge, 2016-07-18 Diamond was faced with the most traumatic news that rocked her world to the core in Part 1. But now 20 years later, she is still experiencing more devastating family issues, that may destroy her outlook on life. Will Diamond find the strength to overcome the hardships and set backs that life has to offer? Will she overcome the trials and tribulations in order to move on with her life? More Twist and Turns than ever before. More Drama to keep you on the edge of your seat. Read this book to find out what finally happens to Diamond's Triangle Part 2: 20 Years later... The Finale of an Unusual Love Story.

The Sheikh's Diamond Leslie North, 2016-11-08 True love is priceless-or is it? Sheikh Masoud Khalidizack is terminally bored by palace life. With his elder brother inheriting his father's responsibilities and his younger brother treating life like one big party, he often feels left behind. When a family friend suggests a bet to see which brother will be left unwed at the end of the year, Masoud thinks it is impossible to lose and he's already making plans on what to do with the prize - Muharraaq Island. That all changes with the arrival of headstrong Fleur Summers, a beautiful archaeologist bent on finding the legendary Solomon Diamond. It was once part of the Khalidizack family's heritage, but now it is lost to history. Her reputation depends on finding it and putting it into a museum, but the distractingly handsome Sheikh who hired her certainly isn't helping. In fact, Masoud intends to restore the diamond to its rightful place - in the Khalidizack palace. Now, they have to overcome their mutual mistrust and simmering attraction to find the artifact that could bring glory to them both. In a race against ruthless rivals that spans continents, finding the prize will bring them together or destroy one of their lives.
