The Diamond's Journey Susanne Steiner,2017-09-28 The Diamond's Journey begins in California in 2005, when a woman receives a diamond ring as part of an inheritance. She is the fourth person she knows of to have worn the ring. Upon discovering the ring is over 100 years old, she realizes there must have been others who had the opportunity to wear the ring as well. This launches the story of how and where the diamonds were discovered, the trader who obtained them, their journey to France, only to be sold in their raw state to an American collector, who re-sells them to the famed JP Morgan, who gives them as a bonus to a young protégé, who has them cut and polished in the new 'ideal cut' in order to propose to his future bride. The ring is then left in a drawer and forgotten until it is found again and used to negotiate freedom, as a gift for saving a life, bartered for food, presented as a gift, and re-used as an engagement ring. It is gifted in appreciation, and passed down from a mother to a daughter, and then a daughter-in-law.

Dear Diamond Stephanie Walls,2018-11-18 She wasn't mine to claim--I knew nothing about her.But then our eyes met...She danced on stage, exposed in more ways than just her lack of clothing. I expected to see lust. Instead, I got anger, hatred, resentment. She was in deep with the company I'd escaped, and my presence at Club Swank made me guilty by association.But I refused to let them have her.I'd protect her at all costs. After all, they owed me.

But once the characters reach the refuge of the high Sierras, it becomes a heartwarming journey of discovery. Michelle Rousseau is a very intelligent research scientists who has developed an advanced Virtual Reality system that can be used in the real world. Tom Bryant is a nature photographer who spends weeks at a time immersed the wilderness of the high Sierras. By a chance meeting Alvin is able to contact Tom through Michelle's VR glasses and tells him what happened. Michelle helps him build an advanced computer so he can retrieve the rest of himself before they are caught by the military and dozens of other agencies trying to find the one responsible for a looming world wide disaster. They reach the refuge of the high Sierras, where Alvin can use a satellite dish to access the Web, while Tom and Michelle go on a lot of personal adventures, trying to hide in a remote wilderness. Alvin is intensely curious about earth, and asks a lot of innocent questions about love and human relationships. Michelle had been hurt in a lot of her relationships and has a hard time trusting anyone. She is a beautiful woman, but her beauty had always been a handicap for her in the business world. Men saw her as a trophy, something to conquer and posses. Tom is a passionate artist who loves the outdoors. The Necklace Cheryl Jarvis,Women of Jewelia,2008 Four years ago, Jonell McLain saw a diamond necklace in a jewelry store window. The necklace aroused desire first, then a provocative question: What if we shared what we desired? Several weeks, dozens of phone calls, and a leap of faith later, Jonell bought the necklace with twelve other women. With vastly dissimilar histories and lives, the women transcended their individual personalities and politics to join together in an uncommon journey. Part charm, part metaphor, part mirror, the necklace weaves in and out of each woman's life, and comes to mean something dramatically different to each of them. What started as a quirky social experiment became something far richer and deeper, as the women transformed a symbol of exclusivity into a symbol of inclusiveness. They discovered that

sharing the necklace was only the beginning: the more they shared with others, the more profound this experience became.--

Chasing Diamonds David T. Straw, 2017-04-07 Thirty-six-year-old Everett Lentry just wants to run away. Rooted to his idealized past, he is struggling to find his way in a world that never listened to his youthful dreams and visions. Trapped within the merry-go-round of a loveless thirteen-year marriage, Everett's delicate infrastructure is held together only by the unconditional love he has for his two daughters. Fatherhood is his sole companion. While on another tedious business trip in Denver, Everett meets someone who taunts his perceptions about everything. While Everett stands at a new crossroads in life, Nicole Summers presents him with an alternative, alluring path that stretches and twists his imbedded childhood beliefs. As he attempts to escape his facade of a life, Everett must face a clichéd scenario--to either remain true to his need to find inner peace or indulge in the temptation that lies within his immediate grasp. In this poignant tale of struggles, love, and loss, one man sets out on a journey of self-discovery that leads him to a relationship that will test his fundamental beliefs and to a destiny he never could have imagined.

For Love of Nikki Diamond Ronn Parker PH D, 2004-06 A testament of love. A catalyst between two different souls, who triumph over trials of human conflict, to emerge into joyful, infinite light.

Diamond in the Night John A. Richter, 2011-10-17 This is a story of a quest, a quest we all seek, a quest for spiritual wholeness. It is also a story of friendship, a friendship of three different souls: an old dapper Englishman named Lance, a young Midwesterner named Ben, and an even younger Easterner named Rob. Three kind souls representing a classic California mix of breeds and backgrounds. Everyone has a story to tell, and they have theirs. To belittle one while enhancing another only coaxes irony to dictate surprise with truth stranger than fiction.... And then there's a cat named Varmint and a Chihuahua named Fifi to put it all in perspective.

The Sheikh's Diamond Leslie North, 2016-11-08 True love is priceless--or is it? Sheikh Masoud Khalidizack is terminally bored by palace life. With his elder brother inheriting his father's responsibilities and his younger brother treating life like one big party, he often feels left behind. When a family friend suggests a bet to see which brother will be left unwed at the end of the year, Masoud thinks it is impossible to lose and he's already making plans on what to do with the prize - Muharraq Island. That all changes with the arrival of headstrong Fleur Summers, a beautiful archaeologist bent on finding the legendary Solomon Diamond. It was once part of the Khalidizack family's heritage, but now it is lost to history. Her reputation depends on finding it and putting it into a museum, but the distractingly handsome Sheikh who hired her certainly isn't helping. In fact, Masoud intends to restore the diamond to its rightful place - in the Khalidizack palace. Now, they have to overcome their mutual mistrust and simmering attraction to find the artifact that could bring glory to them both. In a race against ruthless rivals that spans continents, finding the prize will bring them together or destroy one of their lives.
