*My Diamond* ,2019-10-30 A collection of poems including formal and free verse.

**The Diamond's Journey** Susanne Steiner,2017-09-28 The Diamond's Journey begins in California in 2005, when a woman receives a diamond ring as part of an inheritance. She is the fourth person she knows of to have worn the ring. Upon discovering the ring is over 100 years old, she realizes there must have been others who had the opportunity to wear the ring as well. This launches the story of how and where the diamonds were discovered, the trader who obtained them, their journey to France, only to be sold in their raw state to an American collector, who re-sells them to the famed JP Morgan, who gives them as a bonus to a young protégé, who has them cut and polished in the new 'ideal cut' in order to propose to his future bride. The ring is then left in a drawer and forgotten until it is found again and used to negotiate freedom, as a gift for saving a life, bartered for food, presented as a gift, and re-used as an engagement ring. It is gifted in appreciation, and passed down from a mother to a daughter, and then a daughter-in-law.

**The Necklace** Cheryl Jarvis,Women of Jewelia,2008 Four years ago, Jonell McLain saw a diamond necklace in a jewelry store window. The necklace aroused desire first, then a provocative question: What if we shared what we desired? Several weeks, dozens of phone calls, and a leap of faith later, Jonell bought the necklace with twelve other women. With vastly dissimilar histories and lives, the women transcended their individual personalities and politics to join together in an uncommon journey. Part charm, part metaphor, part mirror, the necklace weaves in and out of each woman's life, and comes to mean something dramatically different to each of them. What started as a quirky social experiment became something far richer and deeper, as the women transformed a symbol of exclusivity into a symbol of inclusiveness. They discovered that sharing the necklace was only the beginning: the more they shared with others, the more profound this experience became.-- From publisher description.

**Blu Diamonds** Kevin Hollingsworth,2019-05-04 After completing his latest poetry book, Stellar, Hollingsworth had no

plans of writing another collection of poetry. Hollingsworth, however, continued to be inspired to write beautiful words. His heart touched daily, Hollingsworth, over the course of one year, wrote 76 poems; that he humbly presents to the world in *Blu Diamonds*.

**Diamond in the Dark** Daniel Waudby, 2023-06 *Diamond in the Dark* is more than a book about the fantasies of love and life. It's an expression of self - turning heartbreak and trauma into words of art. This book offers an insight into the mind of a man that expresses his desires of finding his one true love - I never knew, I would find the universe in someone's eyes till I found an ocean of stars when I look into yours. Through a series of traumatic events in his life - battling severe anxiety / depression / suicide, he had found a way through the darkness to find his own *Diamond in the Dark*. You may be triggered - as you progress through the book to the darkest aspects of life. However, one thing is for sure - Throughout the darkest of nights comes the brightest of days. The sun will always rise again and so shall you. Followed by the rising of the sun - we gain a wider view of the experience that never came into fruition, which grew into *Diamonds in the Dark*. Sometimes the things that never happened are the best thing to ever happen

The Sheikh's Diamond Leslie North, 2016-11-08 True love is priceless-or is it? Sheikh Masoud Khalidizack is terminally bored by palace life. With his elder brother inheriting his father's responsibilities and his younger brother treating life like one big party, he often feels left behind. When a family friend suggests a bet to see which brother will be left unwed at the end of the year, Masoud thinks it is impossible to lose and he's already making plans on what to do with the prize - Muharraaq Island. That all changes with the arrival of headstrong Fleur Summers, a beautiful archaeologist bent on finding the legendary Solomon Diamond. It was once part of the Khalidizack family's heritage, but now it is lost to history. Her reputation depends on finding it and putting it into a museum, but the distractingly handsome Sheikh who hired her certainly isn't helping. In fact, Masoud intends to restore the diamond to its rightful place - in the Khalidizack palace. Now, they have to overcome their mutual mistrust and simmering attraction to find the artifact that could bring glory to them both. In a race against ruthless rivals that spans continents, finding the prize will bring them together or destroy one of their lives.

*Another Kind of Diamond* Gloria Obizu, 2012-07-01 An inspirational book for everyone *Another kind of Diamond* discusses a girl who had to go through the horrible ordeal of abuse and neglect in the hands of her parents. However, as we read we discover that even though her up-bringing was nothing to write home about yet she had ample opportunities to make all wrongs right. For instance she is gifted in physical and intellectual abilities. Granted the chance for a fresh start, a good husband, even loyal friends at some other points and wealth too, but she stuck to self destructive ways and ended her life in ruin.

**Diamond Filled Sands** Amanda Vaughn, 2012-02 To my readers, may you find comfort and peace as you journey into my world. These poems are a part of me and my life. They are real and they are an account of times and feelings I have been

through in my life.

Simply Gone Jeffrey T Diamond,2023-08-11 Breaking up with my soulmate, like eating from the tree of knowledge . . . This chapbook explores the ways love can haunt after it has been lost. Sometimes, the love reappears as a memory. Sometimes, unexpectedly, it reappears as something more-as a spirit, a voice, or even the innermost self. What happens to the love during such times? Through twenty poems and one short story, which fluctuate between the philosophical and the intimately emotional, such love is given expression.

*An Accidental Light* Elizabeth Diamond,2009-01-02 I've seen her a thousand times. Running through the blue shadows in the rain. Stopped by a screech of brakes and my voice shouting. Stopped by the sudden boom of my heart. On a quiet road just outside London, in the blue half-light of dusk, a car accident will change the lives of two families forever. Jack Philips is a happily married policeman with two small daughters, but the accident forces him to reassess everything he loves - and to confront long-buried secrets. For Lisa Jenkins, the devastation seems almost unbearable. Until she discovers an inner strength she never knew she had - and the courage to change her life completely. This heartbreaking but ultimately uplifting debut novel explores the ripple effects of a single moment of tragedy - the journey from guilt to peace, from vengeance to forgiveness, from grief to hope - and even, ultimately, to joy.

*The Diamond* Gail Scott,2017-09-13 This book is a project of transparency. These printed words are a culmination of life experiences that have been buried inside of me for years. It tells the story of Gail and where I came from. What road was I going down, with no one to teach me right from wrong or good from bad? This story is the height and depth of a young girl's life, and how she endured pain and suffering at the hands of her mother and men in her life. It epitomizes the struggle of living with children as a single parent without any support. It is how I endured and came forth victorious. Prayerfully, these words will inspire someone and encourage others to press on and endure another day to higher heights. The primary goal for my story is to show how they, too, can overcome any adversities and obstacles that may come their way, just as I have.

Sea View James Fitzpatrick Diamond,2014-08-18
