Open Hearts Jane Seymour, 2008-12-23 If Your Heart Is Open, Love Will Always Find Its Way In. An open heart is a universal symbol of giving and receiving love. This precious keepsake companion perfectly compliments the elegant jewelry designed by Emmy Award-winning actress Jane Seymour for her debut line exclusive to Kay Jewelers. Open Hearts reflects life's joys, heartaches, and inspirations and symbolizes that only when you can love yourself and keep your heart open are you able to give and receive love. This theme is celebrated through a collection of poems, essays, quotes, and Jane Seymour's equally inspirational Healing Hearts paintings. The coalescence of words and art speak to every kind of love in people's lives. They prove that it's a force that flows unconditionally, because if your heart is open, it can never stay broken.

Saint Michael the Archangel James F. Day, 2020-08-10 Saint Michael the Archangel, defend us in battle! Throughout salvation history, Saint Michael the Archangel has appeared when God's people needed spiritual protection, healing, and victory. Today, many faithful still turn to him for assistance, and parishes across the world pray to him to defend our Church. But what do we really know about Saint Michael? In Saint Michael the Archangel you'll discover the fascinating biography of

the angel whose mission from God is to do battle against Satan and all the evil spirits. Weaving together Scripture, history, papal documents, and popular devotion, author James Day fills in the gaps of our knowledge about Saint Michael, revealing the impact the mighty defender has on individuals, the Church, and the world. Saint Michael the Archangel also highlights the main shrines dedicated to Saint Michael, and includes the text of prayers, hymns, and poems written to honor him. ABOUT THE AUTHOR James Day is a frequent contributor to Catholic Exchange, Crisis, and Catholic World Report, and is the author of *Father Benedict: The Spiritual and Intellectual Legacy of Pope Benedict XVI*. He is a producer and operations manager for EWTN's West Coast Studio at the Christ Cathedral campus in Orange County, California.

Tangle-Knot Loretta Ellsworth,2023-06-06 Tangle-knot is not a word, but it is Fia's hair. And Fia thinks it's perfect, which is why she refuses to brush it, even though her mom always complains it's a mess. In fact, it's more than a mess—it's a nest for a mother bird and her three colorful eggs! Fia takes excellent care of her birds and shows off her tangle-knot everywhere she goes, attracting lots of attention. As the spectacle grows, so does Mom's disapproval. But Fia's commitment to being herself just might be powerful enough to change her mother's mind. This whimsical story shines with lighthearted relatability, reminding us that even when our parents just don't get it, they always want us to be happy.

Popular Jewelry Roseann Ettinger,1997 Collecting antique jewelry can bring you endless hours of enjoyment, for it not only satisfies a love of days gone by but also brings a yearning to learn more about other times and places. The collector shows a desire to be unique in setting, rather than following, fashion trends. Roseann Ettinger's book reads like a treasure hunt. In six chapters, she takes the reader on a tour of antique jewelry from the 1840s to the 1940s, covering the Victorian era through Art Nouveau, Transitional, and Art Deco. Fascinating details on various pieces, their origins, and their makers make the jewelry come alive. Beautifully arranged full-color photographs of cameos, hair combs, hat pins, necklaces, buckles, chokers, locket, and many other pieces handsomely complement the text. Popular Jewelry aids the reader in identifying period jewelry and the materials used in their manufacture. It also provides invaluable information for the novice collector who cannot always tell a genuine antique from a copy. The effects of history, culture, and materials on jewelry, and the effects of jewelry on culture, are intricately interwoven. An updated price guide and index are included.

In Praise of Poverty Mona Scheuermann, 2021-12-14 In her own time and in ours, Hannah More (1745-1833) has been seen as a benefactress of the poor, writing and working selflessly to their benefit. Mona Scheuermann argues, however, that More's agenda was not simply to help the poor but to control them, for the upper classes in late eighteenth-century England were terrified that the poor would rise in revolt against Church and King. As much social history as literary study, *In Praise of Poverty* shows that More's writing to the poor specifically is intended to counter the perceived rabble rousing of Thomas Paine and other radicals active in the 1790s. In fact, her *Village Politics* was written by request of the Bishop of London as a direct response to Paine's *Rights of Man*. The much larger project of the *Cheap Repository Tracts* followed, and More was still writing in this vein two decades later. Scheuermann effectively, and perhaps controversially, places More in the context of her period's debate about the poor, proving More to be not a defender of the poor but of the conservative upper-class values she so wholeheartedly espoused.
