The Wind is Whispering: Whispering in Your Ear Dale Stubbart, Short Spiritual/Mystical Stories and Poems brought to you by my forever friend - The Wind. *The Wind is Whispering: Whispering in Your Ear* is the sequel to or continuation of *The Language of the Wind: Blueberry Juice for the Soul*. In *The Language of the Wind*, we explored how the Wind speaks to us, the language it uses, and how it communicates. I shared nuggets of wisdom from the Wind which I call Blueberry Juice for the Soul. And I shared poems about Peace, Paradise, and Butterflies. All of whom rest in the Wind. In *The Wind is Whispering*, we'll explore how the Wind speaks to us at different seasons. And I'll share how the Wind Whispers to us in different situations. *The Wind is Whispering* contains perhaps more subtle messages than *The Language of the Wind*. That may be because the Wind now has your attention. Whatever the case, the messages contained within both books are deep. Rated G; Reading Level Very Easy 4th Grade.

Wind Jan DeBlieu, 1999 Explores the subtle and brutal effects of wind.

The Wind Dorothy Scarborough, 1925 These copies were typewritten by the librarian of the Sweetwater Library, because no published copies were available. There was a demand for this title because of local ties.

The Language of the Wind Dale Stubbart, Wind can seem brutal, Wind can seem gentle. In actuality, Wind is neither - Wind just is. Some words for Wind are Blast, Breeze, Chinook, Cyclone, Gale, Gust, Typhoon, Tornado, Hurricane, Zephyr. Brisa is Spanish for Breeze. Similar sounding words for breeze exist in most European languages. Zephyr is Greek for Breeze. In Hawaii, gentle Winds are called trade Winds, Moa'a or Makani 'olu'olu. Makani is the main Hawaiian word for Wind, but there are perhaps 200 names for Wind in Hawaiian. There are over 6000 languages in the world, so there are probably over 60,000 words for Wind. But what is the language of the Wind? If you listen, you can hear it. But the easiest way to learn the language of the Wind is to become its child. In these pages, we will explore some of the language of the Wind. I invite you to listen to what the Wind is saying to you. What words is it teaching you? What pictures is it showing you? What smells is it bringing to your nostrils? What tastes to your tongue? When you touch the Wind, how does it feel? When you sit on its lap or are embraced in its arms, what is that like? The Wind is the Ultimate Truth, the Relationship of Relationships, the Healer, the One who Blesses us, the One who lets us know we really are OK, the Most Loving Heart. The Wind is your best friend and

advocate. The Wind is always there, to hold you and console you. The Wind enjoys guiding you on your journey. The Wind wants the best for you. Here is what some with wisdom say about the Wind. May the nourishment of the earth be yours May the clarity of light be yours May the fluency of the ocean be yours May the protection of the ancestors be yours And so may a slow Wind work these words of love around you, an invisible cloak to mind your life." John O'Donahue "The Wind gave our children the spirit of light" Chief Seattle "For what is it to die, but to stand in the sun and melt into the Wind" Kahlil Gibran "Since I grew tired of the chase and search, I learned to find; And since the Wind blows in my face, I sail with every Wind." Nietzsche "A great Wind is blowing, and that gives you either imagination or a headache." Catherine the Great "The laughing Wind tickles my funny bone. Tee Hee!" Shana "To be human is to be where the Wind and water meet" Dale "Only bears can hug the Wind" Yellow Bear by which he means Only those who are their true selves can hug the Wind. Yellow Bear is my self=friend. He often gets distracted by blueberries, those slurpable little berries of flavor that exude the wonder of everything that is delicious. "Blueberry Juice for the Soul" is Yellow Bear's phrase for Spiritual Food because it's really, really tasty like blueberries. This book contains nuggets of Wisdom - Blueberry Juice for the Soul - which help us understand the Language of the Wind. Some excerpts in this book are from my mystical rewritings of the Bible which I call the Chanting Wind Version. These are all my original writings. In Storms, a severe thunderstorm becomes a continuing metaphor for the author's troubles first marriage. Two essays, one from late middle age, ponder how the weather seems different at various stages of life but always provides unexpected opportunities for self-discovery, change, and renewal.--BOOK JACKET.

What the Wind Blew in Marilyn B. Wassmann,

The Wind Dorothy Scarborough,

The Wind and The Willow Rose Marie Raccioppi, 2008-06-30 Words heard, spoken, and written, reflections, musings and the ever-present quest for understanding and well being, move this poet's pen. Childhood, motherhood and the ravages of cancer are all woven into the fabric of time and being. Offered here are the impressions and ponderings that grasp at the very core of being. *The Wind and the Willow* is a deeply heartfelt expression of life known, fears conquered, anguish dispelled and the ever-present gift of faith. Journey with words to bridge reverie and revelation, to move beyond despair to the embrace of innocence and delight, be it the brightest or darkest hour.

A Voice on the Wind Madison Julius Cawein, 1902

Voices of the Wind Clark Crouch, 2002 This slender volume, a poetic journal, offers slices of history, some segments of one man's life, and bits of modern madness. We can listen for the voices of the wind those heard by the indigenous people and those whispered to the one waiting impatiently for that bitch who is holding up the checkout line at Safeway. We capture a vision of an inland, waterless sea, wind-blown waves of prairie grasses beating on the shore of distant hills and we share the joy of first-time home ownership. The realities of poverty, the hardship of prairie living, and the excitement of discovery bring life to a time that many of us do not remember. We share more up to date moments with Maynard Ferguson and Lawrence Welk even while we consider the qualifications of candidates for the Nitwits Hall of Fame. *Voices of the Wind*, they are part of our heritage and they deserve to be heard.

Hear the Wind Blow Doe Boyle, 2021-03-01 Chicago Public Library Best Informational Books for Younger Readers 2021 The Best Children's Books of the Year 2022, Bank Street College STARRED REVIEW! An artful blend of language, illustration, and science.—Kirkus Reviews starred review You can almost feel the wind in this explanation of the Beaufort scale, with science and rhythmic verse. The stages of the Beaufort wind scale, portrayed with precision and also with poetic free verse, style, and imagination. It will stretch readers' imaginations as we see the wind pick up from a kiss of air, to a gentle breeze that shivers the shifting grasses, to a roiling hurricane that makes tree roots shudder.

Whispers in the Wind Steve Cyphers, 2013-11-14 Steve Cyphers' poems and short stories, written over the past fifteen or so years, explore the deeper meanings that lie within the vast, hidden world beneath the surface of everyday events, thoughts, and observations. His view is from the standpoint of a life well-lived in an effort to participate fully in each experience—whether painful, touching, profound, or silly. *Whispers in the Wind* ponders those occasions where the passion and purpose of our lives are revealed if we will only listen more carefully to our own inner voices and, perhaps, to the subtle whispers of those who have lived before. This collection is a joyful and appreciative celebration of the extraordinary alongside the ordinary. The author invites you to share his learnings, smile or laugh at the funny parts, and hopefully, find

some pieces that you connect with and help you along your own journey under rocks, behind bushes, and within your heart.

The Wind, the Kite, the String Edwin Willwerth, 2007-12 Two great writers and their books that have had an influence on me in the writing of this book are Jonathan Swift (1667-1745) and John Bunyan (1628-1688). Jonathan Swift's masterpiece titled 'Gulliver's Travels' was an allegorical attack on the hypocrisy of the human behavior that he witnessed in almost every level of life in England, especially on the political stage. John Bunyan was the author of another famous allegorical book about a soul in search of salvation-'Pilgrim's Progress.' I do not believe this book will in any way approach the level of these two great masterpieces, but like Swift and Bunyan, I too have some comments about the behavior of my fellow Spacelanders (as I like to refer to them). What do they really believe in? What have they committed and dedicated their lives to? Because I believe the answers to these questions are the determining factors of their behavior. Like all allegorical books you will need a great imagination. But as Oscar Wilde said, Imagination is a quality given man to compensate him for what he is not, and a sense of humor was provided to console him for what he is. Edwin Willwerth has been married for over fifty years and is the father of three children. He was a high school mathematics teacher for thirty years. Besides teaching in several public and private schools within the United States, he has also taught in Paraguay for one year, Nepal for two years and China for six months. He has been very active in his local church, serving for a number of years as a Sunday School teacher and later as head of the Sunday School Department. He was the Missionary Director within his church for several years. He has also spent time on Missionary projects in Haiti and Campeche, Mexico.
