

Wind Chimes

Doe Boyle

Wind Jan DeBlieu, 1999 Explores the subtle and brutal effects of wind.

Wind and Weather Liberty Hyde Bailey, 1916

The Language of the Wind Dale Stubbart, Wind can seem brutal, Wind can seem gentle. In actuality, Wind is neither – Wind just is. Some words for Wind are Blast, Breeze, Chinook, Cyclone, Gale, Gust, Typhoon, Tornado, Hurricane, Zephyr. Brisa is Spanish for Breeze. Similar sounding words for breeze exist in most European languages. Zephyr is Greek for Breeze. In Hawaii, gentle Winds are called trade Winds, Moa'a or Makani 'olu'olu. Makani is the main Hawaiian word for Wind, but there are perhaps 200 names for Wind in Hawaiian. There are over 6000 languages in the world, so there are probably over 60,000 words for Wind. But what is the language of the Wind? If you listen, you can hear it. But the easiest way to learn the language of the Wind is to become its child. In these pages, we will explore some of the language of the Wind. I invite you to listen to what the Wind is saying to you. What words is it teaching you? What pictures is it showing you? What smells is it bringing to your nostrils? What tastes to your tongue? When you touch the Wind, how does it feel? When you sit on its lap or are embraced in its arms, what is that like? The Wind is the Ultimate Truth, the Relationship of Relationships, the Healer, the One who Blesses us, the One who lets us know we really are OK, the Most Loving Heart. The Wind is your best friend and advocate. The Wind is always there, to hold you and console you. The Wind enjoys guiding you on your journey. The Wind wants the best for you. Here is what some with wisdom say about the Wind. May the nourishment of the earth be yours May the clarity of light be yours May the fluency of the ocean be yours May the protection of the ancestors be yours And so may a slow Wind work these words of love around you, an invisible cloak to mind your life." John O'Donahue "The Wind gave our children the spirit of light" Chief Seattle "For what is it to die, but to stand in the sun and melt into the Wind" Kahlil Gibran "Since I grew tired of the chase and search, I learned to find; And since the Wind blows in my face, I sail with every Wind." Nietzsche "A great Wind is blowing, and that gives you either imagination or a headache." Catherine the Great "The laughing Wind tickles my funny bone. Tee Hee!" Shana "To be human is to be where the Wind and water meet" Dale "Only bears can hug the Wind" Yellow Bear by which he means Only those who are their true selves can hug the Wind. Yellow Bear is my self=friend. He often gets distracted by blueberries, those slurpable little berries of flavor that exude the wonder of everything that is delicious. "Blueberry Juice for the Soul" is Yellow Bear's phrase for Spiritual Food because it's really, really

tasty like blueberries. This book contains nuggets of Wisdom - Blueberry Juice for the Soul - which help us understand the Language of the Wind. Some excerpts in this book are from my mystical rewritings of the Bible which I call the Chanting Wind Version. These are all my original writings. Leaning Into the Wind Susan Allen Toth, 2003 Leaning into the Wind is a series of ten intimate essays in which Susan Allen Toth, who was spent most of her life in Iowa, Minnesota, and Wisconsin, reveals the ways in which weather has challenged and changed her perceptions about herself and the world around her. She describes her ever-growing awareness of and appreciation for how the weather marks the major milestones of her life. Toth explores issues as large as weather and spirituality in Who Speaks in the Pillar of Cloud? and topics as small as mosquito in Things That Go Buzz in the Night. In Storms, a severe thunderstorm becomes a continuing metaphor for the author's troubles first marriage. Two essays, one from late middle age, ponder how the weather seems different at various stages of life but always provides unexpected opportunities for self-discovery, change, and renewal.--BOOK JACKET.

Wind Russell Stuart Irwin, 2013-03-07 Overview: Poyama is a vineyard keeper whose accidental convictions feed an affliction of pride propped loftily upon his success in the burgeoning nineteenth century wine industry. A Chilean immigrant, he brought to the United States an unrivaled appetite for work, a legacy of international winegrowing mastery, and a weakness his love of horses. Even a greater love, the love of his life, is afforded no pass through the bulwark of those preoccupations. But, there is trouble in the vineyard, and calamity approaches upon thundering hooves in fulfillment of a promise containing the power of new beginnings. Poyama: an American novel for the rugged individualist and the vineyard romantic.

What the Wind Blew in Marilyn B. Wassmann,

Whispers on the Wind Steven Guernsey, 2021-09-21 A random collection of musings, ponderings, reflections and humorous thought, gathered over the course of a life well lived. Whether they make you laugh, cry or just question, all are

intended in good spirit.

The Wind Before the Dawn Dell H. Munger, 2021-04-24 The unclouded sun of a burning August day had driven bird and beast to shelter wherever a bit of shade could be found. The Kansas prairie afforded little refuge from sun or wind. The long stretches of low rolling hills were mostly covered with short grass, now dry from a protracted season of drought. Occasionally a group of stunted cottonwood trees surrounded an equally stunted looking hut, or dugout, but the blazing sunshine had browned all to a monotonous tone in keeping with the monotonous life it represented. The only corn to be seen was of the variety called sod-corn, which, unwashed by rain for a full month now, had failed to mature, such stalks as had tasseled at all being as barren as the rest because the tender silks had dried too rapidly and could furnish no fertilizing moisture to the pollen which sifted down from the scanty bloom above.

Hear the Wind Blow Doe Boyle, 2021-03-01 Chicago Public Library Best Informational Books for Younger Readers 2021 The Best Children's Books of the Year 2022, Bank Street College STARRED REVIEW! An artful blend of language, illustration, and science.—Kirkus Reviews starred review You can almost feel the wind in this explanation of the Beaufort scale, with science and rhythmic verse. The stages of the Beaufort wind scale, portrayed with precision and also with poetic free verse, style, and imagination. It will stretch readers' imaginations as we see the wind pick up from a kiss of air, to a gentle breeze that shivers the shifting grasses, to a roiling hurricane that makes tree roots shudder.

Herding the Wind Richard Layh, 2022-02-25 Herding the Wind—a Wall Street novel. It is the story of two people caught in the riptides of young love, memory and loss, jazz and dance, and the arduous impulse of striving for happiness in the heart of a pulsating city.

What the Wind Says John Miatech, 2012-04-16 John Miatechs poems speak of wild places, of the spiritual relationship between humans and the Earth, of the deeper belief that everything in the natural world is alive and connected, and that you can find this out for yourself if you take the time. Growing up in Michigan, John has lived in California for most of his adult life. This has allowed him to roam the rich landscape of lakes and rivers, deserts, mountains and forests that these two regions provide, giving him a deep bond with the secret places of both areas, and with the voices that speak within their borders. Wide open spaces inhabit these poems, mountains, hawks, rain, sky, pancakes, boyhood, John Miatechs lines leap across the Western landscape and land in the human heart. There's a common humanity here this reader recognizes, in language that's accessible and, you could say, unfancy, which these days is the highest praise. - Clive Matson, author Let the

Crazy Child Write! And Chalcedonys Songs John Miatech is a poet who mines for crystals. He unearths the numinous hidden in solid ground, sifts through layers of memory and presence, then deftly articulates the healing force of what he finds. His poems are masterful distillations of waters that flow from the heart. Once you are a river, everything changes, he explains in a poem about the rain. - Cynthia Potem, producer of Poetry Basket, kidefm.org

The Wind In The Grass James C. McGuire,2013-09-23 Some of the words within these pages are for music, and not just the poetry. 'The Wind In The Grass' tells of an Elsa, a Jeanne, and mostly, a Barbara. They're pages in a book, pushed along by an off -shore wind like the tall grass on the 'true' cape of Hatteras. There's a boxer in the 30's, a killing hurricane at sea, an imaginary French resistance fighter defending white wine. There's the Viking, Teymor, a lost soul and a lost story before recorded history; and a brave little tugboat at Pearl Harbor. There are words of loneliness, of wanting and not wanting, and other words, gentle and direct. 'The Wind In Th e Grass' is for all of us who understand silence and those of us intimidated by it. Life does get in the way. It's something we have to understand. As others rush by, it's up to us to motion to them, beckon and wave. Slow down, we should say...come over here. Let's sit and read together.
