Wind and Weather Liberty Hyde Bailey,1916

Leaning Into the Wind Susan Allen Toth,2003 Leaning into the Wind is a series of ten intimate essays in which Susan Allen Toth, who was spent most of her life in Iowa, Minnesota, and Wisconsin, reveals the ways in which weather has challenged and changed her perceptions about herself and the world around her. She describes her ever-growing awareness of and appreciation for how the weather marks the major milestones of her life. Toth explores issues as large as weather and spirituality in Who Speaks in the Pillar of Cloud? and topics as small as mosquito in Things That Go Buzz in the Night. In Storms, a severe thunderstorm becomes a continuing metaphor for the author's troubles first marriage. Two essays, one from late middle age, ponder how the weather seems different at various stages of life but always provides unexpected opportunities for self-discovery, change, and renewal.--BOOK JACKET.

Change Is in the Wind Pat Bertram,2012-03 The assignment was simple: submit a short story dealing with change. The results were astonishing, engaging, and incredibly varied. The stories compiled in this volume range from taut action drama, to stealthy intrigue, to entralling spirituality, to tangled relationships, to timeless love renewed -- or lost, to angelic second chances. No two of the tales are remotely similar, and yet they are linked in remarkable ways. Each story is tied to all the others in the anthology with two exquisite threads. The first constant theme is redemption; in each case there is a transformation, often painful, that brings new beginnings, new possibilities and revitalized life. The second theme is love -- timeless and true -- expressed in a multitude of ways, but unfailing in bringing hope and newness. Change in the Wind is an extraordinary collection of marvelous stories from gifted, eclectic writers who draw us into their worlds and leave us wanting more. -- publisher

Wind Ron Bacon,

The Wind Dorothy Scarborough,2021 The wind was the cause of it all. The sand, too, had a share in it, and human beings were involved, but the wind was the primal force, and but for it the whole series of events would not have happened.

there was nothing to break the sweep of the wind across the treeless prairies, when the sand blew in blinding fury across the plains. The winds were cruel to women that came under their tyranny. They were at them ceaselessly, buffeting them with icy blasts in winter, burning them with hot breath in summer, parching their skins and roughening their hair, and trying to wear down their nerves by attrition, and drive them away. The Wind by Dorothy Scarborough is a tensely written story about Letty Mason's descent into madness. The novel opens with Letty, an 18-year-old orphan from Virginia, on a westbound train headed to Sweetwater Texas. Letty, coming from the lush and verdant Virginia, is not prepared for the drought-burdened Texas desert where there is no escape from the incessant wind. Nor can she cope with the financial desperation of everyday life in Sweetwater. Masterfully written, liberally sprinkled with genuine Texas vernacular.

Wind, Storm and Rain Denning Miller, 2013-10 This is a new release of the original 1952 edition.

The Wind Dorothy Scarborough, 2021-01-08 The Wind, a supernatural novel by Dorothy Scarborough, depicts the loneliness of life in a small Texas town during the 1880s. She originally published it anonymously, anticipating a rough reception in Texas. The wind was the cause of it all. The sand, too, had a share in it, and human beings were involved, but the wind was the primal force, and but for it the whole series of events would not have happened. there was nothing to break the sweep of the wind across the treeless prairies, when the sand blew in blinding fury across the plains. Whispers on the Wind Mike Hatfield, 2019-03-22 Whispers on the Wind follows five families from 1873 into the twentieth century. A young Zeke Martin follows his uncle Lemuel into the West to escape a bitter family feud fueled by the bigotry of the Civil War. His youthful inexperience in life is soon expanded when a group of Crow warriors gives him a captive Sioux Indian woman. Little Walking Buffalo Woman, along with a jealous young Sioux girl, Looks at the Sky, will lead him through the door of manhood. Together, they will face mysteries, adventures, and an onslaught of strangers who will change the West forever. Follow Deputy Marshal Ethan Bullock on his quest for a murdering madman across the West and the Indian Nations. Catherine Bullock is a spoiled, narcissistic daughter arriving in the twentieth century learning nothing from her many trails. Eagle's Nest House with its dark shadows and deadly supernatural secrets will enslave her selfish soul. Only the Cherokee mystic, Eloise Demmia, knows of the horrors lurking within its walls. Come join them through decades and generations on their journey through time and mystery. This is based on real people and events. This book includes a three book series.

Hear the Wind Blow Doe Boyle, 2021-03-01 Chicago Public Library Best Informational Books for Younger Readers 2021 The Best Children's Books of the Year 2022, Bank Street College STARRED REVIEW! An artful blend of language, illustration, and science.—Kirkus Reviews starred review You can almost feel the wind in this explanation of the Beaufort scale, with science and rhythmic verse. The stages of the Beaufort wind scale, portrayed with precision and also with poetic free verse, style, and imagination. It will stretch readers' imaginations as we see the wind pick up from a kiss of air, to a gentle breeze that shivers the shifting grasses, to a roiling hurricane that makes tree roots shudder.

A Voice on the Wind, and Other Poems Madison Julius Cawein, 2019-12-20 *A Voice on the Wind, and Other Poems* by Madison Julius Cawein contains a variety of poems that can touch readers no matter what journey of life they've gone on. From love to nature, this book is relatable now the same way it was when it was first published. Even if you're not a poetry reader normally, this book is easy to read and easy to resonate with.

Wind Stories Leigh Allison Wilson, 1989 Each of these stories is a portrait of American life, lived in the small upstate New York town of Oswego.

The Wind Chasers Ester Wier, 1967 A ten-year-old attempts to teach his brothers to love the barren countryside in Arizona where his family homesteads.

The Wind, the Kite, the String Edwin Willwerth, 2007-12 Two great writers and their books that have had an influence on me in the writing of this book are Jonathan Swift (1667-1745) and John Bunyan (1628-1688). Jonathan Swift masterpiece titled 'Gulliver's Travels' was an allegorical attack on the hypocrisy of the human behavior that he witnessed in almost every level of life in England, especially on the political stage. John Bunyan was the author of another famous allegorical book about a soul in search of salvation-'Pilgrim's Progress.' I do not believe this book will in any way approach the level of these two great masterpieces, but like Swift and Bunyan, I too have some comments about the behavior of my fellow Spacelanders (as I like to refer to them). What do they really believe in? What have they committed and dedicated their lives to? Because I believe the answers to these questions are the determining factors of their behavior. Like all allegorical books you will need a great imagination. But as Oscar Wilde said, Imagination is a quality given man to compensate him for what he is not, and a sense of humor was provided to console him for what he is. Edwin Willwerth has been married for over fifty years and is the father of three children. He was a high school mathematics teacher for thirty

years. Besides teaching in several public and private schools within the United States, he has also taught in Paraguay for one year, Nepal for two years and China for six months. He has been very active in his local church, serving for a number of years as a Sunday School teacher and later as head of the Sunday School Department. He was the Missionary Director within his church for several years. He has also spent time on Missionary projects in Haiti and Campeche, Mexico.
