Wind Jan DeBlieu,1999 Explores the subtle and brutal effects of wind.

The Wind Dorothy Scarborough,1925 These copies were typewritten by the librarian of the Sweetwater Library, because no published copies were available. There was a demand for this title because of local ties.

Wind and Weather Liberty Hyde Bailey,1916

Change Is in the Wind Pat Bertram,2012-03 The assignment was simple: submit a short story dealing with change. The results were astonishing, engaging, and incredibly varied. The stories complied in this volume range from taut action drama, to stealthy intrigue, to entralling spirituality, to tangled relationships, to timeless love renewed -- or lost, to angelic second chances. No two of the tales are remotely similar, and yet they are linked in remarkable ways. Each story is tied to all the others in the anthology with two exquisite threads. The first constant theme is redemption; in each case there is a transformation, often painful, that brings new beginnings, new possibilities and revitalized life. The second theme is love -- timeless and true -- expressed in a multitude of ways, but unfailing in bringing hope and newness. *Change in the Wind* is an extraordinary collection of marvelous stories from gifted, eclectic writers who draw us into their worlds and leave us wanting more. -- publisher

The Wind, the Kite, the String Edwin Willwerth,2007-12 Two great writers and their books that have had an influenced on me in the writing of this book are Jonathan Swifts (1667-1745) and John Bunyan (1628-1688). Jonathan Swift masterpiece titled 'Gulliver's Travels' was an allegorical attack on the hypocrisy of the human behavior that he witnessed in

almost every level of life in England, especially on the political stage. John Bunyan was the author of another famous allegorical book about a soul in search of salvation-'Pilgrim's Progress.' I do not believe this book will in any way approach the level of these two great masterpieces, but like Swift and Bunyan, I too have some comments about the behavior of my fellow Spacelanders (as I like to refer to them). What do they really believe in? What have they committed and dedicated their lives to? Because I believe the answers to these questions are the determining factors of their behavior. Like all allegorical books you will need a great imagination. But as Oscar Wilde said, Imagination is a quality given man to compensate him for what he is not, and a sense of humor was provided to console him for what he is. Edwin Willwerth has been married for over fifty years and is the father of three children. He was a high school mathematics teacher for thirty years. Besides teaching in several public and private schools within the United States, he has also taught in Paraguay for one year, Nepal for two years and China for six months. He has been very active in his local church, serving for a number of years as a Sunday School teacher and later as head of the Sunday School Department. He was the Missionary Director within his church for several years. He has also spent time on Missionary projects in Haiti and Campeche, Mexico.
