The Classic Cattleyas A. A. Chadwick,Arthur E. Chadwick,2021-12-03 In 1818, William Cattley succeeded in flowering one of the first species of the genus that would bear his name. These first cattleyas are the classic cattleyas, whose form defined the essence of tropical orchids for generations to come. Indeed, the color of their flowers became known as orchid. In this helpful and informative book, each classic Cattleya species is described in fascinating detail, and its role in breeding programs is elucidated. All that is required to appreciate and grow the large-flowered cattleyas successfully is included. Cultivation, humidity and watering, fertilizing, propagation, and diagnosing and treating problems are detailed, making this

Collected Studies on Francisco Suárez, S.J. (1548-1617) John P. Doyle, 2010 Although the Jesuit Francisco Suarez (1548-1617) is one of the most important figures of late scholasticism, his work has not received the attention it deserves in English-speaking scholarly literature. One exception to this generalization is found in the work of the American scholar John P. Doyle, whose ground-breaking studies of several important areas of Suarez's complex but highly original system of thought have helped to make the Jesuit's ideas accessible to several generations of historians of philosophy. This volume gathers together Doyle's most important articles on the philosophical theology, metaphysics, ethics, and legal philosophy of Suarez, and is prefaced by an introductory chapter that places the Jesuit's life and thought in context.

The Case of Mr Lucraft Walter Besant, 2022-09-15 The Case of Mr. Lucraft is a careful study of the notorious Mr.

Ebenezer Grumbelow, possessed of unholy powers, a fiendish resolve, and diabolical selfishness. Excerpt: I HAVE more than once told the story of the only remarkable thing which ever happened to me in the course of a longish life, but as no one ever believed me, I left off telling it. I wish, therefore, to leave behind me a truthful record, in which everything shall be set down, as near as I can remember it, just as it happened. I am sure I need not add a single fact.
