Life along Communication Routes from the Roman Period to the Middle Ages Ivana Ožanić Roguljić, Jere Drpić, Angelina Raičković Savić, 2023-12-21 This volume presents the latest research on Roman roads, not just in terms of their basic infrastructure but also exploring various aspects of life that were connected with it, from the Imperial period to that of decline, acculturation and integration of new identities, within the three Roman provinces of Pannonia, Moesia and Dalmatia.

Elements of Style Erin Gates, 2014-10-07 From the rising-star designer and author of the hit blog, *Elements of Style*, a full-color, fully illustrated book packed with honest advice, inspiration, ideas, and lessons learned about designing a home that reflects your personality and style. *Elements of Style* is a uniquely personal and practical decorating guide that shows how designing a home can be an outlet of personal expression and an exercise in self-discovery. Drawing on her ten years of experience in the interior design industry, Erin combines honest design advice and gorgeous professional photographs and illustrations with personal essays about the lessons she has learned while designing her own home and her own life—the first being: none of our homes or lives is perfect. Like a funny best friend, she reveals the disasters she confronted in her own kitchen renovation, her struggles with anorexia, her epic fight with her husband over a Lucite table, and her secrets for starting a successful blog. Organized by rooms in the house, *Elements of Style* invites readers into Erin's own home as well as homes she has designed for clients. Fresh, modern, and colorful, it is brimming glamour and style as well as advice on practical matters from choosing kitchen counter materials to dressing a bed with pillows, picking a sofa, and decorating a nursery without cartoon characters. You'll also find a charming foreword by Erin's husband, Andrew, and an extensive Resource and Shopping Guide that provides an indispensable roadmap for anyone embarking on their first serious home decorating adventure. With Erin's help, you can finally make your house your home.

Eckweek, Peasedown St John, Somerset Andrew Young, 2020-05-10 This volume presents the results of archaeological survey and excavation at Eckweek, Somerset, which yielded one of the most important medieval rural settlement sequences yet excavated from south-west England. At the centre of the narrative is a succession of well-preserved buildings spanning the late 10th to the 14th centuries A.D. forming the nucleus of a Domesday manor and its Late Saxon precursor. Detailed analysis of the structural sequence offers a new regional perspective on pre-Conquest earthfast timber architecture and its subsequent (12th-century) replacement by masonry traditions. Culminating in a richly preserved 14th-century farmhouse, including a very complete assemblage of structural and domestic objects, the structural archaeology provides an unusually refined picture of the internal organisation of later medieval domestic space within a rural farming setting. Detailed analytical attention is given to the abundant artefactual and environmental datasets recovered from the excavations (including prolific assemblages of medieval pottery and palaeoenvironmental data) with a nuanced appraisal of their interpretative implications. Anyone with an interest in the dynamics and regional complexity of medieval rural communities will find this a stimulating and enlightening read.
