It's Your Wedding - Not Theirs Miles O'Brien Riley,2008-11 The Bridal Biz not only triples the price of wedding services, it literally takes the wedding away from the bride and makes it an impersonal, secular event that is all they know and treats your wedding like a Ken and Barbie runway at a fashion show, based on Hollywood movies and silly TV shows. It's Your Wedding Not Theirs is a comprehensive, creative guide to help you plan a distinctively unique, personal and sacred celebration. If you want a Martha Stewart wedding, do not buy this book. With photos and suggestions from 55 brides, this book offers dozens of tips on how to make your celebration a memorable experience, not just an expensive event. This simple, 65 page guide book will walk you through 40 plus chapters, including your goal, your attitude, your groom, your mother, your focus or theme, your family, your budget, your guest list, your location, your celebrant, your wardrobe, your rings, your vendors, your ceremony, your legal requirements, your program, your rehearsal and dinner, your ceremony and reception, your honeymoon, and your marriage. With very practical tips on every aspect of your wedding weekend from welcome to readings and love letters to vows and symbols of unity to cultural customs, favors, toasts and cake this book shows you how to present yourselves as hosts rather than self-conscious stars and how to move from a costly, cookie cutter party to a sacred, fun, mature, memorable celebration.

Managing International Trade And Investment: Casebook Spar Debora L,2003-07-14 Despite the ease with which it is often conducted, doing business across borders is not the same as doing it at home. Rather, it entails a whole new set of managerial challenges: re-assessing competitive advantage; evaluating diverse political environments and legal structures; considering the impact of currency fluctuations and trading regimes; and understanding widely disparate cultures and business norms. Using the cases presented in this book, instructors can help their students build a framework of analysis that will enable them to understand the challenges of international trade and investment and master the opportunities these represent./a
