Tola Finn

We are Circles Tola Finn, 2023-11 If you are seeking a new message of hope for humanity, this is the book! A reflection and a revolution, *We are Circles* offers humans of all ages a metaphor for choices as one part self love and one part relationship with the world around us. Readers will discover insights and considerations for the most important question of our time: How do I love myself and others? (Hint: We love through choices!) We all grapple with decisions in our daily life and wonder how to be centered and connected. Young and not so young people navigate micro and macro decisions at every moment. Choice by choice we make our way through relationships, global stress, and personal evolutions. Thus, there is no more important word than choice; it is the essence of freedom (a freedom defined by connection, not dichotomy). And our choices pool and gather in us and on the planet, shaping future choices! *We are Circles* grounds the dialogue about all decisions in simple shapes, elevating discussion and reflection to expand our awareness and commitment to choosing wisely for ourselves and others. This is the book to give to friends and strangers, and one to buy for the future of humanity. \$2 from your purchase of the paperback edition will be shared with Room to Read to create a world free from illiteracy and gender inequality-read more about their mission online.
