Enchanted Gift Merita Dragusha,2011-09-28 High above the city of Vollgory sits a castle with high walls and a moat surrounding all sides. Its inhabitants are King Vollg, Queen Solia, and their beautiful daughter Artella. Only the King knows about a hidden room under the castle that holds a secret. Just before his sudden death, the King escorts Artella to the secret room where she learns of the treasures her father has concealed from the world, including his own wife. Artella is still grief-stricken over her father's death when she meets Sandri, a castle guard, while on a walk in the yard. Artella and Sandri soon fall in love, but they must hide their relationship from the queen who will surely banish them from seeing each other. When Sandri leaves to serve the remainder of his military service in the Imperial Army, he gives her a gift that unbeknownst to him has the power to completely change Artella's life forever.

**The Enchanted Castle** E. Nesbit,2022-05-03 The enchanted castle of the title is a country estate in the West Country seen through the eyes of three children, Jerry, Jimmy, and Kathy, who discover it while exploring during the school holidays. The lake, groves and marble statues, with white towers and turrets in the distance, make a fairy-tale setting, and then in the middle of the maze in the rose garden, they find a sleeping fairy-tale princess. The princess tells them that the castle is full of magic, and they almost believe her. She shows them the treasures of the castle, including a magic ring she says is a ring of invisibility, but when it actually turns her invisible she panics and admits that she is the housekeeper's niece, Mabel, and was just play-acting. The children soon find that the ring has other magical powers such as making the Ugly-Wugglies (Guy Fawkes style dummies they had made to swell the audience at one of their play-performances) come to life. They eventually

discover that the ring is actually granting their own wishes, and that the disturbing results stem from their failure to specify those wishes precisely. The Enchanted Castle was written for both children and adults. It combines descriptions of the imaginative play of children, reminiscent of The Story of the Treasure Seekers, with a magic more muted than in her major fantasies such as The Story of the Amulet.

**The Enchanted Castle** Edith Nesbit,2018-07-31 An invisible princess, a magic ring, and more adventures than you could dream of. This is what Gerald, Kathleen and Jimmy find when they stumble upon a mysterious castle. At first it all appears to be a lark. But the children soon discover they need all their bravery and ingenuity to contend with the castle's supernatural forces.
