The Enchanted Castle Edith Nesbit,1964 Four English children find a wonderful world of magic through an enchanted wishing ring.

The Enchanted Elizabeth Coatsworth,1951 A fantasy about a young Maine farmer who marries one of the neighbor girls and almost lives to regret it.

The Enchanted Castle (Annotated) Edith Nesbit,2019-05-17 An invisible princess, a magic ring, and more adventures than you could dream of. This is what Gerald, Kathleen and Jimmy find when they stumble upon a mysterious castle. At first it all appears to be a lark....

The Enchanted Castle E. Nesbit,2023-05-02 Three children and their governess discover magic and mayhem when they stumble upon an abandoned castle in this delightful children's story. While on vacation in the English countryside, Kathleen, Jimmy, and Jerry—together with their permissive French governess—decide to go exploring. They find a tunnel that leads to an old castle and have fun pretending the place is enchanted. But after discovering a maze and magical ring, they learn how perilous magic can be! Originally published in 1907, The Enchanted Castle is a timeless tale of make-believe and magic from the beloved children's author, E. Nesbit.

The Enchanted Castle E. Nesbit,2022-05-03 The enchanted castle of the title is a country estate in the West Country seen through the eyes of three children, Jerry, Jimmy, and Kathy, who discover it while exploring during the school holidays. The lake, groves and marble statues, with white towers and turrets in the distance, make a fairy-tale setting, and then in the middle of the maze in the rose garden, they find a sleeping fairy-tale princess. The princess tells them that the castle is full of magic, and they almost believe her. She shows them the treasures of the castle, including a magic ring she says is a ring of invisibility, but when it actually turns her invisible she panics and admits that she is the housekeeper's niece, Mabel, and was just play-acting. The children soon find that the ring has other magical powers such as making the Ugly-Wugglies (Guy Fawkes style dummies they had made to swell the audience at one of their play-performances) come to life. They eventually discover that the ring is actually granting their own wishes, and that the disturbing results stem from their failure to specify those wishes precisely. The Enchanted Castle was written for both children and adults. It combines descriptions of the imaginative play of children, reminiscent of The Story of the Treasure Seekers, with a magic more muted than in her major fantasies such as The Story of the Amulet.
