Don't buy cheap paperbacks just to save a few dollars. Most of them use low-quality papers & binding. Their pages fall off easily. Some of them even use very small font size of 6 or less to increase their profit margin. It makes their books completely unreadable. About The Enchanted Barn Shirley sat back in her seat again contented, and resumed her thoughts. The motorman took up his dinner-pail, sat down on a high stool with his back to her, and began to eat. It was a good time now for her to eat her little lunch, but she was not hungry. However, she would be if she did not eat it, of course; and there would be no other time when people would not be around. She put her hand in her shabby coat-pocket for her handkerchief, and her fingers came into contact with something small and hard and round. For a moment she thought it was a button that had been off her cuff for several days, But no, she remembered sewing that on that very morning. Then she drew the little object out, and behold it was a five-cent piece! Yes, of course, she remembered now.

Enchanted Gift Merita Dragusha,2011-09-28 High above the city of Vollgory sits a castle with high walls and a moat surrounding all sides. Its inhabitants are King Vollg, Queen Solia, and their beautiful daughter Artella. Only the King knows about a hidden room under the castle that holds a secret. Just before his sudden death, the King escorts Artella to the secret room where she learns of the treasures her father has concealed from the world, including his own wife. Artella is still grief-stricken over her father's death when she meets Sandri, a castle guard, while on a walk in the yard. Artella and Sandri soon fall in love, but they must hide their relationship from the queen who will surely banish them from seeing each other. When Sandri leaves to serve the remainder of his military service in the Imperial Army, he gives her a gift that unbeknownst to him has the power to completely change Artella's life forever.

The Enchanted Castle (Illustrated Edition) Edith Nesbit,2022-11-13 The Enchanted Castle is a country estate in the West Country seen through the eyes of three children - Gerald, James and Kathleen, who discover it while exploring during the school holidays. The lake, groves and marble statues, with white towers and turrets in the distance, make a fairy-tale setting, and then in the middle of the maze in the rose garden they find a sleeping fairy-tale princess. Edith Nesbit (1858-1924) was the author of world famous books for children - the tales of fantastical adventures, journeys back in time and travel to magical worlds.

An Enchanted Garden Mrs. Molesworth,2014-03-28 "No," said Alix, "that's not a good plan at all. It's perfectly stupid. If you've no better ideas than that, Rafe, we needn't talk about it any more."Rafe looked and felt very snubbed indeed.He was ten, she was nine. But she generally took the lead; not always, as I daresay you will see when you hear more about them, but generally. They were a nice little pair, and they were constantly together, at lessons, at play, at everything. This was a convenient arrangement, for they were a good deal younger than the other brothers and sisters of the family, and what Rafe would have been without Alix, or Alix without Rafe, it would be difficult to imagine. But there is not much use in thinking over about might-have-beens, or would-have-beens, unless to make us more thankful for what is. So it is enough to say that as

things really were, they were very happy children. Still they had their troubles, and it was one of these they were discussing this lovely spring morning, when they were sitting under their favourite tree—a magnificent ilex in the garden, at one corner of the great lawn which was one of the beauties of their home. It was a lovely day, clear and bright and joyous, full of its own delights, and yet almost fuller of the summer ones to come! This is, I suppose, the real secret of the charm of spring-time—the promise and hope it tells of. Everything seemed bursting with good news, the birds most of all perhaps, though the smiling faces of the early flowers, and the tender whispers of the gentle wind through the branches, were not behindhand. But the children's faces were clouded.

The Enchanted Elizabeth Coatsworth, 1951 A fantasy about a young Maine farmer who marries one of the neighbor girls and almost lives to regret it.

The Enchanted Castle E. Nesbit, 2022-05-03 The enchanted castle of the title is a country estate in the West Country seen through the eyes of three children, Jerry, Jimmy, and Kathy, who discover it while exploring during the school holidays. The lake, groves and marble statues, with white towers and turrets in the distance, make a fairy-tale setting, and then in the middle of the maze in the rose garden, they find a sleeping fairy-tale princess. The princess tells them that the castle is full of magic, and they almost believe her. She shows them the treasures of the castle, including a magic ring she says is a ring of invisibility, but when it actually turns her invisible she panics and admits that she is the housekeeper's niece, Mabel, and was just play-acting. The children soon find that the ring has other magical powers such as making the Ugly-Wugglies (Guy Fawkes style dummies they had made to swell the audience at one of their play-performances) come to life. They eventually discover that the ring is actually granting their own wishes, and that the disturbing results stem from their failure to specify those wishes precisely. *The Enchanted Castle* was written for both children and adults. It combines descriptions of the

imaginative play of children, reminiscent of *The Story of the Treasure Seekers*, with a magic more muted than in her major fantasies such as *The Story of the Amulet*.

The Enchanted Oak Tree Sarah Duchess Of York, 2020-05-27

The Enchanted Castle E. Nesbit, 2023-07-18 *The Enchanted Castle* is a novel for young readers by Edith Nesbit, who was writing in the late Victorian and early Edwardian era in Britain. As in her other children's books, it begins in the everyday world but quickly brings in the fantastical and magical. A large part of the delight of Nesbit's books is that her children behave in quite ordinary ways, getting into scrapes, getting dirty and their clothes torn, making decisions which seem right to them at the time but which are generally wrong-headed. It's the contrast between the ordinariness of the children and the magical adventures they become involved in which makes the books so charming. *The Enchanted Castle* was originally serialized in *The Strand Magazine* alongside stories by Rudyard Kipling and Arthur Conan Doyle. The first book edition was published in 1907. In the story, Kathleen and her brothers Gerald and Jimmy find a way into a remarkable garden designed to create a Palladian landscape, full of statues and pseudo-Classical temples and buildings. It is not long before they come across a sleeping Princess. They wake her, and she introduces them to an item of real magical value, a ring which makes its wearer invisible. But once on, the ring won't come off! "Those of my readers who have gone about much with an invisible companion will not need to be told how awkward the whole business is," comments the author, which is indicative of the simple and direct language she uses, and the humor of the books. Even the invisibility ring, however, is not quite as simple as it seems; and many interesting and amusing adventures follow.

The Enchanted Castle Edith Nesbit, 2011-11-01 Ketika Jerry, Jimmy, dan Cathy menemukan terowongan menuju sebuah kastel, mereka berpura-pura kalau itu adalah kastel sihir. Namun, ketika mereka membangunkan Putri Tidur di tengah-tengah labirin, hal-hal luar biasa mulai terjadi. Mereka pun masuk ke kastel dan menjelajahi lorong-lorong misterius hingga

sampai di sebuah ruang rahasia yang penuh dengan harta karun. Di antara berbagai perhiasan indah, mereka menemukan sebuah cincin yang dapat mengabulkan permohonan. Namun, permohonan yang dikabulkan tidak selalu yang diinginkan. Anak-anak itu terpaksa berhadapan dengan keadaan yang tidak menyenangkan; saudara mereka menjadi tak kasatmata, dinosaurus, hantu, serta Ugly-Wugly yang mengerikan, sebelum akhirnya semua misteri itu terpecahkan. Frederick and the Enchanted Garden Marcela Paz de Gargani, 2020-10-01 Frederick is a young boy who lives very happily in an old apartment building with a garden in the back. He spent most of his childhood playing in the garden. One day, he finds out that they will have to move. The building is scheduled to be demolished where a highway will be built. Frederick is devastated and refuses to let that happen. For this, he engages himself in a mission to save the garden. The garden has many inhabitants, and some are the legendary trees, the beautiful flowers, and the animals that came to live there. They are all from different origins but together in sharing their vivid lives. They have served for years to protect each other and protect the children while playing there. The garden also kept all memories and secrets of all the people who set foot in there. In this journey, Frederick meets Eloise, who will become his partner and friend. Eloise and Frederick love nature and animals. They both engage in the mission of saving the garden. This experience will help them grow up together

and appreciate the world better. What they don't know is that this friendship is the beginning of many adventures.
