Every Shot I Take Michael Bamberger,Davis Love III,2012-10-02 Through this moving tribute to his father's love, Davis III passes along the benefits of those lessons in a gem of a book that will improve your golf game—and enhance your life. With every shot he takes, Davis Love III provides a tribute to the strength and the value of his father's teachings. And in Every Shot I Take, he shares with us the psychological and technical lessons he learned about how to play golf with power, with skill, and with joy. His lessons include drills, the Ten Commandments of Putting, six steps to successful long bunker shots, and tips for playing in the wind and rain, on fast greens, or out of long rough. Yet each lesson is ultimately about something more than golf. Golf was, for Davis, Jr., a way of being a father, of teaching his sons how to learn, how to approach whatever they might choose to do with knowledge and with care, how to overcome obstacles through dedication and understanding. It was the vehicle through which he taught the most important lesson of all: Follow your dream, and enjoy the trip.
